Humans Are Aliens

Officials insist UFOs are genuine

Despite the phenomenal number of UFO sightings and claims of alien abduction the US Government still insists UFOs are weather balloons or presents similar ‘earthly’ explanations.

Would our Governments lie to us?

The Mexican Government was the first to officially testify that UFOs not only exist but are present in our skies daily. The Mexicans finally acknowledged that they could not possibly ignore the presence of literally hundreds of airborne craft that lazily patrol the heavens.

A UFO was spotted over Mexico City in October 2014. Headlines

read:

"Breaking News! Large UFO! Mothership captured over Mexico City Mexico East."

This sighting came close on the heels of that of April 17th, shortly after major cities had suffered an earthquake registered at 7.2 on

the Richter Scale.

It was the July 1991 sighting that really shook the people of Mexico city. Expecting to view a solar eclipse the startled crowds spied a glittering disc in the heavens above. Many journalists rushed to report the incredible incident, including James Maussan. Luis Lara, Guillermo Arragin and Erick Aguilar were among many who actually videotaped the event.

The disc remained in sight for hours, as if the occupants were on a reconnaissance.

As early as 1960 a former CIA director and Admiral voiced concern about the UFO cover up in an article in the New York Times of February 28th. This is almost 55 years ago yet the US Government still does not acknowledge the existence of aliens.

In repeated press interviews since then military spokesmen have echoed

“Little green men, preposterous”

They forget to add “but we do work with little grey men”

Admiral Hillenkoetter stated that "behind the scenes, high-ranking US Air Force officers are soberly concerned about UFO's. Through official secrecy and ridicule many citizens are led to believe that unknown flying objects are fictitious. Yet daily pilots report close encounters with alien craft. Nevertheless the US and Royal Air Forces have persistently silenced their personnel"

Rosetta’s comet is emitting coherent radio transmissions. Deep inside the Pentagon and GCHQ in the UK cryptographers are desperately attempting to decipher this ultrasonic message. Is there an alien base inside this comet that is even now fast approaching our planet? If so are the aliens friendly?

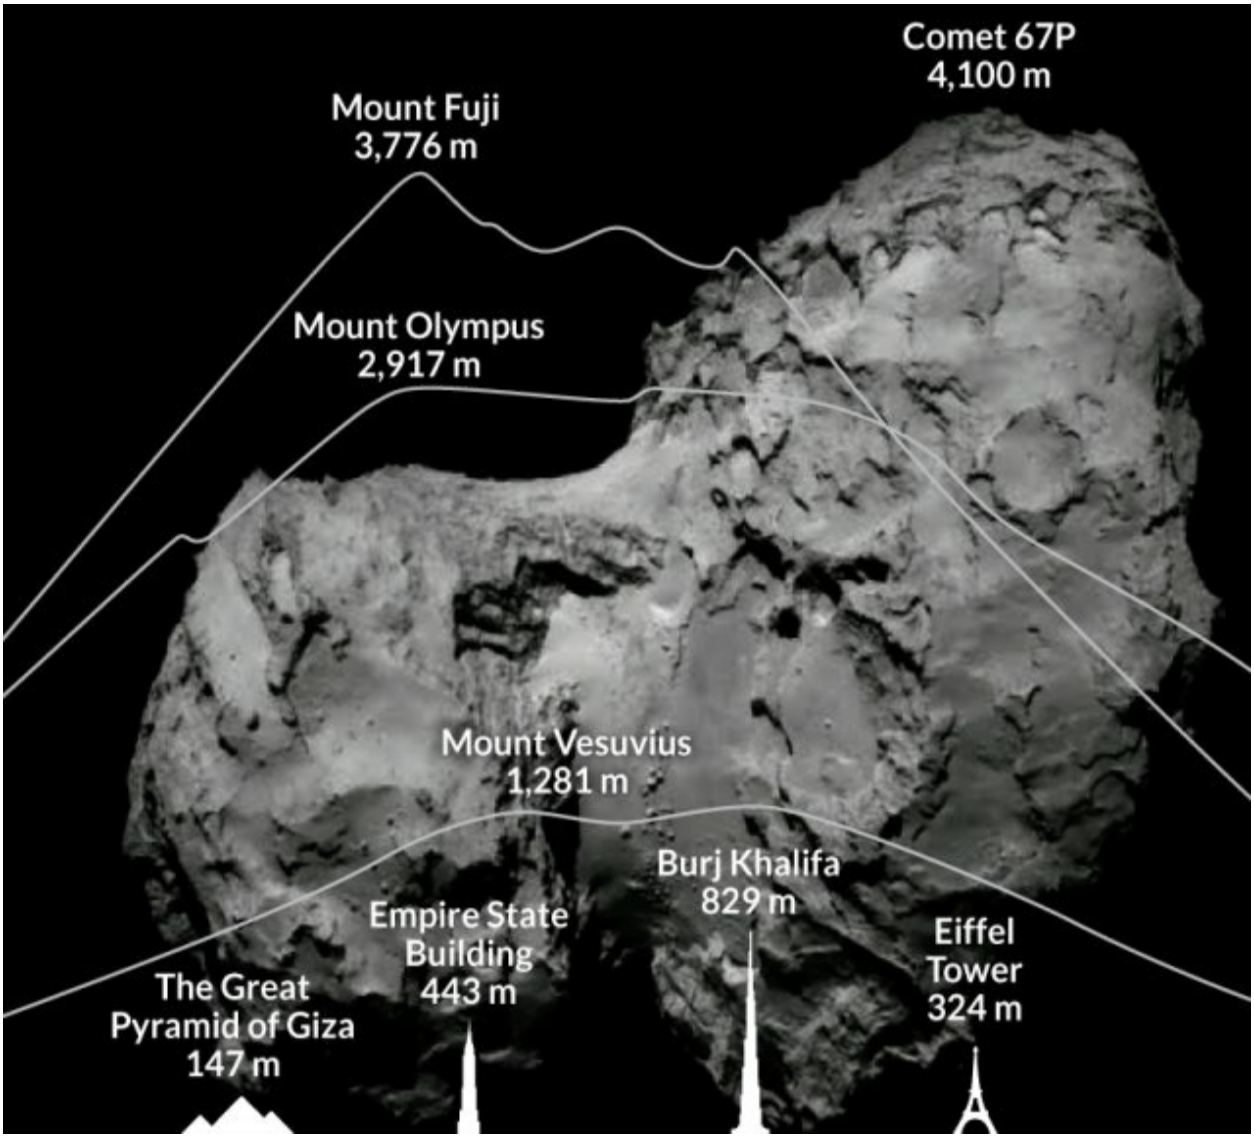
Quote from Rob Waugh for Metro.co.uk Wednesday 12 Nov 2014:

Is there an alien base inside Rosetta's comet?

The fact that a strange 'clicking' radio transmission seems to be coming from inside the comet – sounding eerily like a Predator's jaws opening and closing – has just stoked the fires of conspiracy theorists, just as the Rosetta craft's Philae Lander touches down.

A picture of a disc-shaped UFO swooping past the comet in September led the more certifiable members of the UFO community to conclude that there was some sort of parking bay for saucers inside the flying rock 300 million miles from Earth.

One blogger suggested that the whole reason for this multi-million pound project is to search for alien life or even contact it, as it did not make sense to spend so much on just visiting a lifeless 'rock'



Lots of UFO enthusiasts point out that NASA has received radio transmissions from the comet for 20 years, and that instead of being a comet it is in actual fact an ancient spaceship

Early in 2015 a UFO over Argentina was spotted by thousands of people. Later the Brazilian populace was treated to the same streaking sight.

UFOs on the Moon

Several famous astronauts have admitted they witnessed UFOs both grounded and in flight during their moon missions. Among these astronauts is Edgar Mitchell.

During the Apollo 14 mission Mitchell reported ‘bandits’ circling their craft. Since that time he has gone public with information he believes is important for humanity to know.

Quote from about entertainment:

"Because I grew up in the Roswell area and when I went to the moon, some of the old timers from that period, some locals, and others military and intelligence people, who were under rather

severe oaths to not reveal any of this and kind of wanted to get their conscience clear and off their chests before they passed on... "

"(They) selected me and said, independently-this wasn't a group effort-independently that maybe I might be a safe person to tell their story to. And all of them confirmed, and what I'm saying is they confirmed the Roswell incident was a real incident and they in some way had some part in it that they wanted to talk about."

"He said that these locals told him 'the crash of an alien spacecraft in the Roswell area was a real event and much of the lore, I can't say all of the lore, but much of the fact that dead bodies were recovered and live ones were recovered, that they were not of this world, was the story, of course it was reported in the Roswell Daily Record one day and promptly denied the next day and a cover story of a weather balloon, and that was pure nonsense. That was a

cover-up."

It seems that Mitchell was not just sitting and soaking up top-secret information, he sought out confirmation for what he had been told.

In a recent interview with the Discovery Channel, he made the following statement regarding what he had been told about Roswell:

"I did take my story to the Pentagon, not NASA, but the Pentagon- and asked for a meeting with the Intelligence Committee of the Joint Chiefs of Staff and got it. I told them my story and what I know and eventually had that confirmed by the admiral that I spoke with, that indeed what I was saying was true."

Mitchell also gives us some insight to the reason our government has kept these and other UFO related information above top-secret. He stated that the Air Force is responsible for protecting our skies, and they and various other governmental agencies did not know what to do with the crashed saucer, and its superior technology.

They certainly did not want the Soviets to get their hands on it, and at the same, the best course of action was to just lie about it, and keep it to themselves. They labeled it "above top-secret," and that created the long running iron curtain separating a secret group within the government, and the American public. It is believed by some UFO researchers that this group was the Majestic-12, which is often referred to as MAJ-12.

A crashed UFO was discovered by astronauts on the dark side of the moon. There were three dead occupants, two had been decapitated. The third still wore a semi organic device that connected her brain to the ship’s controls.

Donna Hare had a high level clearance with NASA. She was employed from 1967 to 1981. During the Apollo 11 moon mission she was shown photographs (that had been taken by the

astronauts) of the ‘dark’ side of the moon. On all the photographs was the remains of a titanic crystal city and also a crashed UFO. The city is many miles in diameter. In fact the UFO itself is 3 miles long. Pyramids and huge strange ‘airducts’ are also visible. The multiple pyramids are at least each a mile high and the ‘air ducts’ reach into the interior of the moon.

When Apollo 20 orbited the moon astronauts were ordered to land once again in the same region. They collected ancient computer circuit boards and visited the alien craft. Unless the following is an elaborate hoax the testimony of an alleged whistleblower is as follows:

“NASA airbrushes out all unnatural formations so the public will not be aware of what the various Apollo missions have discovered on the far side. Neil and Buzz saw quite a few aliens – they called them bandits and bogeys. The other Apollo missions were launched to discover if there was an advanced technology in that crystal city and especially in the crashed mother ship. Once they brought back a female alien body that was thought to be the pilot.

Much of her body was intact despite the apparent lengthy interval since her death. She was wearing a gizmo that connected her mouth to her eyes and into her brain.

What NASA scientists believe is she piloted the ship using her thoughts.

The other bodies were in pieces, all dismembered and headless”

Photographs from the Lunar Orbiter 5 clearly showed vehicle tracks in an area that is or was inhabited. On many occasions the crashed space craft in Izsak Delporte (a region near the Fermi walled plain) was photographed from several angles.

In a declassified document it was revealed that the airforce took UFO sightings very seriously indeed. Major General Richard E. O'Keefe (then acting inspector general) stated

“The Air Force has sent its commands a warning to treat sightings

of unidentified flying objects as serious business: directly related to the nation's defense".

The existence of this official document was revealed by the National Investigations Committee on Aerial Phenomena. NICAP accused the Air Force of deception as they have publicly stated all reports of unidentified flying objects are delusions and hoaxes. (Boy there are plenty of unidentified weather balloons up there).

Leaked official reports demonstrate that the US and Royal Air Forces are petrified of visitations in our skies.

Quote from Mercury and Femimin astronaut Col. G. Cooper:

"We have radar in the nose of the 747s. His radar is picking up a target then he sees the target. He described it as a huge ball with lights running around it. It was **four times the size** of the 747."

This was thirty five miles North of Anchorage. The UFO danced around the 747 for several minutes then sped away at phenomenal speed.

“A saucer flew over us and landed on the dry lake bed. The camera men went out with their cameras towards the UFO. I had a chance to hold the film up to the window to look at it”.

http://www.youtube.com/watch?v=dvPR8T1o3Dc

FAA Division Chief of Accidents and Investigations, John Callahan:

“I've been involved in hundreds of cover-ups with the FAA. When we gave the presentation to the Reagan staff they had all those people swear that this never happened. But they never had me swear it never happened. I've got videotape. I've got the voice tape.

I've got the reports that were filed. Good close-up shots. **T**he UFO was bouncing around the 747. There was no doubt in my mind that it was made someplace other than this earth”

Apollo 14 astronaut Edgar Mitchell, the sixth man to walk on the moon, has stated, "Yes, there have been ET visitations. There have been crashed craft. There have been material and bodies

recovered. There has been a certain amount of reverse engineering that has allowed some of these craft, or some components, to be duplicated. People in high level government have very little, if any, valid information about this. It has been the subject of disinformation in order to deflect attention and create confusion so the truth doesn't come out."

Every day NASA photos are carefully airbrushed to hide UFO activity. Google Earth may reveal some interesting signs of E.B.E.s so please investigate – some people even believe Atlantis has been found using Google Earth. Quote from Time Magazine:

"Might these be the ruins of the lost continent of Atlantis? Eager explorers certainly thought so, trumpeting this grid off the coast of Africa as streets in the mythical sunken city. Observers noted the area appeared to be the size of Wales, making such a large grid an impressive feat of ancient urban planning".

General Vasily Alexeyev of Russia's Space Communications Center has publicly commented, "The Air Force came up with a table with pictures of all the shapes of UFOs that had ever been recorded – about fifty – ranging from ellipses and spheres to something resembling spaceships... The study of UFOs may reveal some new forms of energy or at least bring us closer to a solution."

Perhaps you have wondered why the Russıans and Americans spent billions in the 1960s to be the first country to reach the moon’s surface. Having achieved their objective they pay scant attention to the moon these days. In the first instance why indeed did the Americans wish to land on a barren piece of crater-riddled rock that promised to yield no natural resources or anything of value? They were just following the orders of a guy named Farouk.

The majority of early pioneers in American space research were Nazi scientists brought to the USA under the cover of Operation Paperclip. NASA itself means to carry to heaven in Hebrew.

Dr. Farouk El-Baz (son of the expert on ancient Egyptian stellar

religions of Isis and Osiris) selected **all** the moon landing sites for **all** of the Apollo missions. He is fundamentally responsible for the particular explorations of Mars and the more distant planets. I suggest high ranking members of several occult societies are searching for incredibly important artifacts that they believe to be on the moon and other planets in our solar system. This information was channeled via demonic spirits to Aleister Crowley and Jack Parsons.

NASAs connection with Osiris is no more obvious than in the name of the 2016 robotic asteroid landing project, Osiris Rex.

By sheer coincidence the Arabic word Cairo is translated into English as Mars, the place of combat.

Some believe the astronauts faked a moon landing. NASA want you to believe this as the truth is far more sinister. On July 21st 1969 when Aldrin and Armstrong set foot upon the surface of the moon they were not alone.

Several months previously, aboard the Apollo 8, astronaut Jim Lovell informed Houston

“There is a Santa Claus” as the three crew members onboard rounded the dark side of the

moon. Latterly this has led to conjecture that the statement was

code for

“We have discovered alien life and UFOs”.

Could this be the real reason billions were spent on sending astronauts to that lump of space rock?

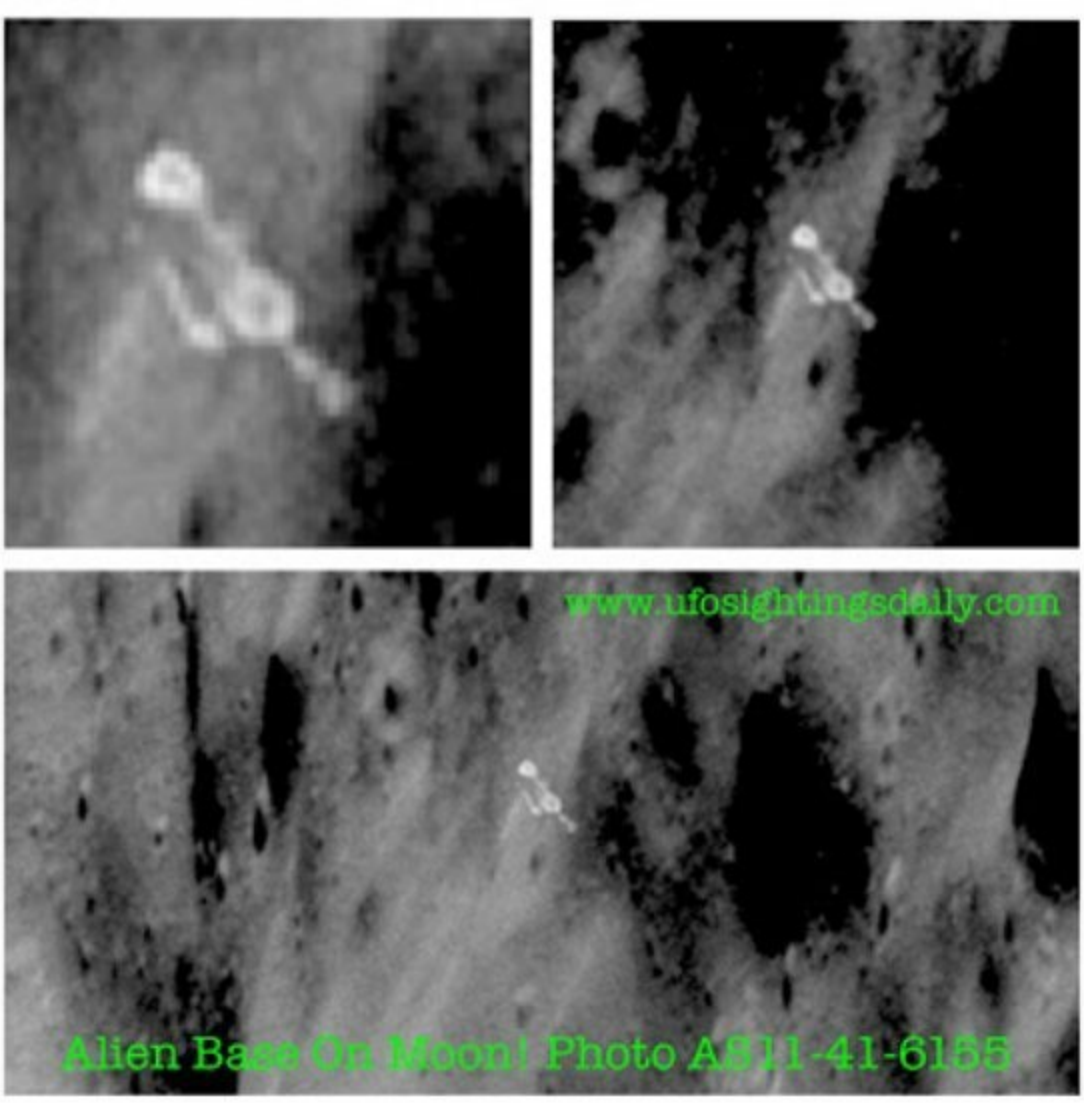
Sergeant Karl Wolf was a sergeant in the air force from 1964 until 1968.

During this time he worked with brand new aerial photography. In 1968 he was seconded to the NSA (given a top secret crypto clearance) along with many scientists from countries other than the U.S.A.

Whilst in the process of fixing faulty equipment a colleague

showed Wolf several photographs of the dark side of the moon as taken from Apollo 8. Something out of this world appeared on the photos. Just as astronaut Lovell had cryptically informed awaiting technicians in Houston there were indeed alien bases on the dark side of the moon.

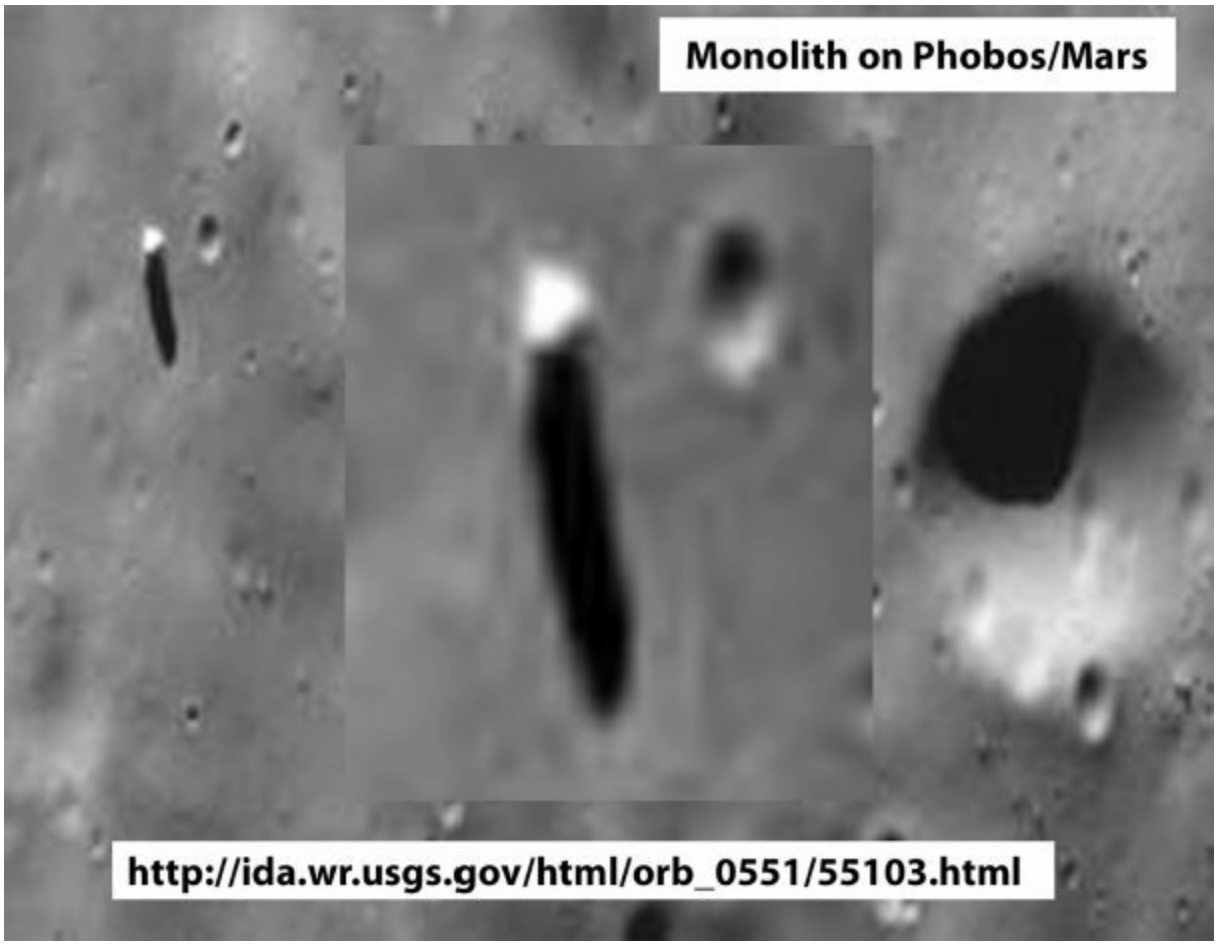
http://exopolitics.org/tag/karl-wolfe/



In an interview with Science Channel in 2005 Buzz Aldrin laughingly agreed that they had seen an alien craft during their 1969 mission to the moon.

“There was something out there, close enough to be observed. Mike could see it on the telescope. From one angle it looked like an L-shape, from another a series of ellipses.”

Aldrin further confirmed that astronauts in later years commonly saw UFOs, either flying in the vicinity of their capsule or camped on the moon’s surface. In 2009 Aldrin further stated that many years before a monolith had been spotted on one of the moons of Mars. Amazingly this was portrayed in the film 2001: a Space Odyssey. Did Stanley Kubrick have inside knowledge? Read my book **Mars Colony and Moon Bases.**



In 1951 Major Gordon Cooper (ex fighter pilot then astronaut in the 1960s) sighted a saucer-shaped disc. At the time he was piloting a F86 Sabrejet over Western Germany. In 1963 whilst orbiting the Earth on a solo mission Cooper reported a green glowing object that had been picked up by Muchea's tracking radar in Perth, Western Australia. Cooper was instructed never to talk about this sighting. Many years later in a taped interview with J.L. Ferrando

Cooper insisted

“For many years I have lived with a secret (a secrecy imposed on all specialists in astronautics). Every day our radar captures objects of form and composition unknown to us. There are thousands of witnesses and documents to substantiate this but they are never made public”

There are literally thousands of UFO sightings not only around the world but also by astronauts in space and on the moon. It has been stated that alien craft were lined up on a nearby hillside to witness the moonwalk of 1969. What are we to think?

World War I UFO

Perhaps the most witnessed UFO sighting was over Fatima in Portugal in 1917. A reported 70,000 people clearly saw a silver glowing disc in the sky for a period of 50 minutes.

The quality of the photograph above is very poor but this should add credence to its authenticity. It is one of two that were snapped on October 13th 1917. “The rain suddenly ceased and the sun appeared. A glowing sphere was clearly seen by all.

Three young girls stated they had been visited by a beautiful female all aglow (they took to be the Virgin Mary). She told them not to be afraid, that Portugal would be safe but in the future the

Earth itself would suffer terrible disasters if people did not mend their ways.

“It remained for a long time and we all took it as a sign that the war would soon be over.”

Will 2017 be the year the UFO returns, 100 years after the Fatima sighting? Will we once again be engaged in a world war at this time?

It can be ascertained from overwhelming evidence that Unidentified Flying Objects are now real and many are certainly identified as craft not constructed by humans. Some are flown by the US military, using back engineering science and the help of little grey men.

The worst and last false flag operation initiated by the US

Shadow Government shall be a supposed invasion by aliens. This in fact will be 'UFOs' designed and flown by the military.

There have been sightings of UFOs since biblical times (often described as winged chariots shooting fire). Latterly UFO sightings have increased a thousand fold. This is owing to easy access to mobile telephones or hand hold camcorders throughout the world. What are we to make of this increase in UFO activity? Perhaps it has not increased and they have always been in our skies. For centuries people were too afraid to be branded crazy.

Our Solar System Is a Binary System

Recently astronomers have agreed that there must be another heavenly body way out there that cannot be seen. Not that it is too far away but that it does not reflect light easily. Hence they believe it to be a brown dwarf.

Our solar system is now thought to have two Stars: "the

companion to our sun is a brown dwarf Star or massive planet of mass between two and six times the mass of Jupiter".

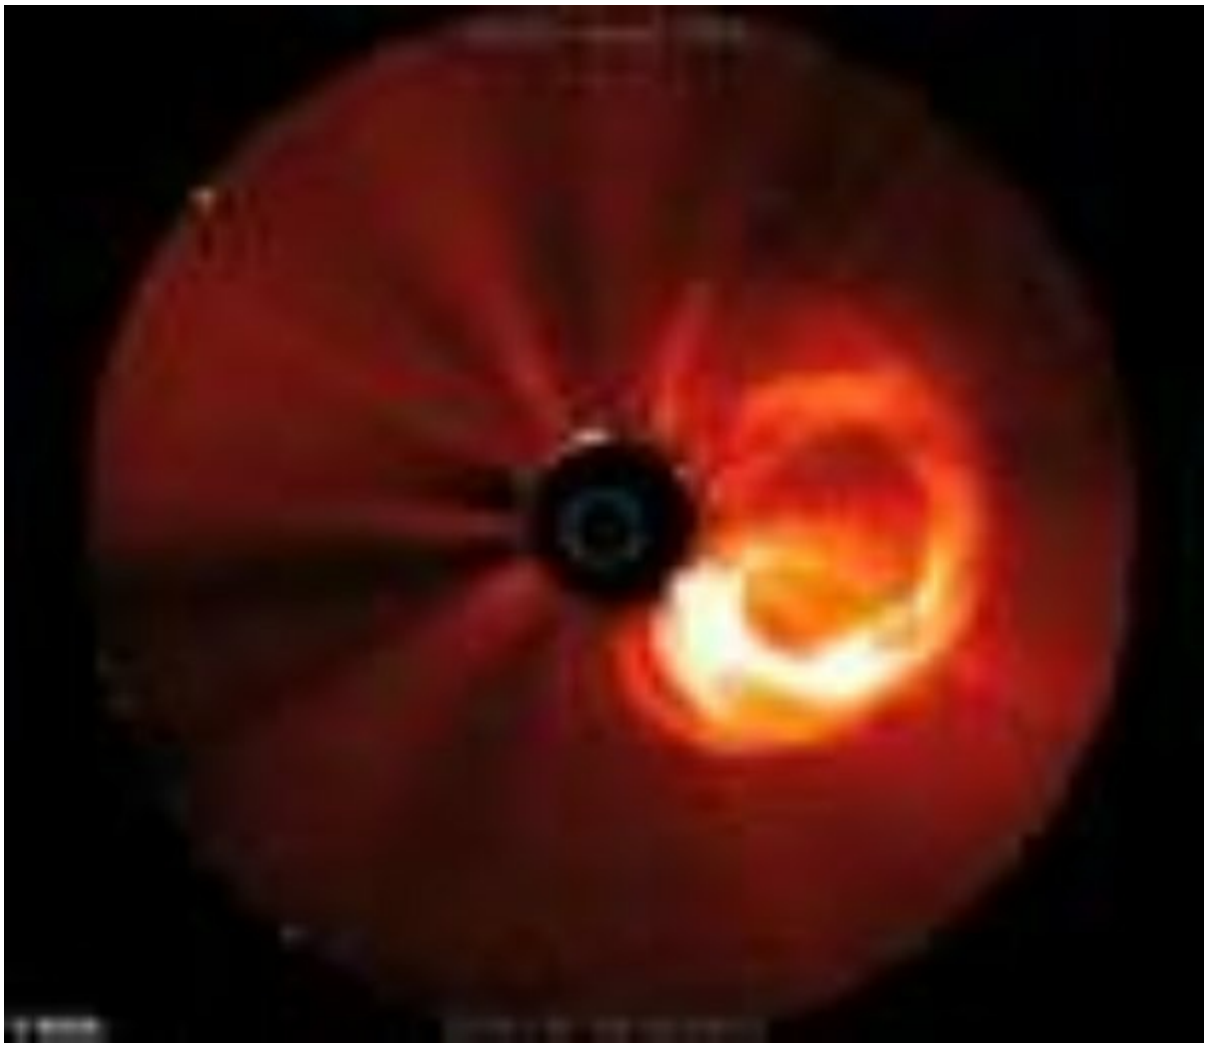
A brown dwarf is a Star too small to sustain the nuclear fusion that powers our sun and so is ‘relatively’ cool. Read my books The Future of Humanity and Our Universe is an Illusion for full details.

Anthropologists and scientists have created a fantastic explanation for the evolution and origin of the human race. Scientists in their zeal to postulate how the Earth itself came into existence have merely guessed at its origin. They have ignored the overwhelming evidence that proves humans are an engineered species that were from another planet many light years away. Their guesses have become accepted belief at least in the ‘developed’ countries. Yet ‘primitive’ peoples (despite being instilled with indoctrination from the West) have always known the Truth. Complete proof in my Anunnaki series (**Arrival of the Anunnaki, Anunnaki Rulers** and **Anunnaki Legacy)** by Gary Margrove and **Lies All Damn Lies** by

the same author.

Alien Species

There are researchers who claim that there are as many as 54 alien species visiting Earth. They come through wormholes, in an instant, from distant galaxies. Some come from our future, others from a different dimension and some **emanate from the depths of our planet**. Read my book **Open Your Eyes** for full details.



Greys

By far the most discussed, documented and feared of the aliens are known as the Greys (due to their skin colouration). The lack of nasal features and tiny mouths are compensated by their prominent

skulls and big eyes. They are thought to be unable to reproduce – perhaps the reason they seem so interested in human reproduction. Many you tube videos claim to feature real greys. I believe they are androids controlled by a far superior race known as the Arcons.

The evil Arcons are detailed in Gnostic writings and explained in detail in my series of books entitled **The Glory of God.**

Those who have studied the greys claim this species is fraught with problems including the inability to reproduce. It is the ‘tall greys’ that have signed a number of contracts with successive U.S. Presidents, from Eisenhower to Obama. In return for their advanced technology they are allowed to abduct or are presented

with unwilling humans (especially females) for the purposes of reproduction experimentation and hybridisation. They literally wish to create a grey/human species that possesses the best qualities of humans and greys.

Thousands of people throughout the world claim to have been abducted, some realise this only after extensive hypnosis. The majority of these claimants agree they are experimented upon then eventually returned to their home. Missing hours are unaccounted for.

Children, wives and husbands go missing every day. Statistics in the United States demonstrate that over four hundred and fifty thousand missing people each year are never found. Is it conceivable that a percentage of these are secreted in DUMBs deep underground in the U.S.A. (for details please read my treatise on DUMBs). Little is known about these facilities as workers are sworn to secrecy on pain of death. A select few have bravely

stepped forward to report the atrocities being carried out especially down in the 6th and 7th levels of these secret establishments. All of the witnesses are now deceased. However there are you tube videos depicting their testimony.

Testimony may also be found at

http://forum.prisonplanet.com/index.php?topic=216786.0

and the compelling evidence of Phil Schneider (deceased) at

https://ascendingstarseed.wordpress.com/category/deep-underground-military-bases-dumbs/

The U.S. Government has renamed the greys E.B.E.s (Extra Terrestrial Biological Entities). The top secret organisation Majestic Twelve (six members of the military and six scientists) was created to squeeze as much information from E.B.E.s as possible whilst simultaneously insisting on concealing their existence. They were also sanctioned to 'neutralize' anybody that was willing to reveal the existence of E.B.E.s

I have written extensively about the MJ 12 in my book **The Illuminati: They Control Your Mind.**

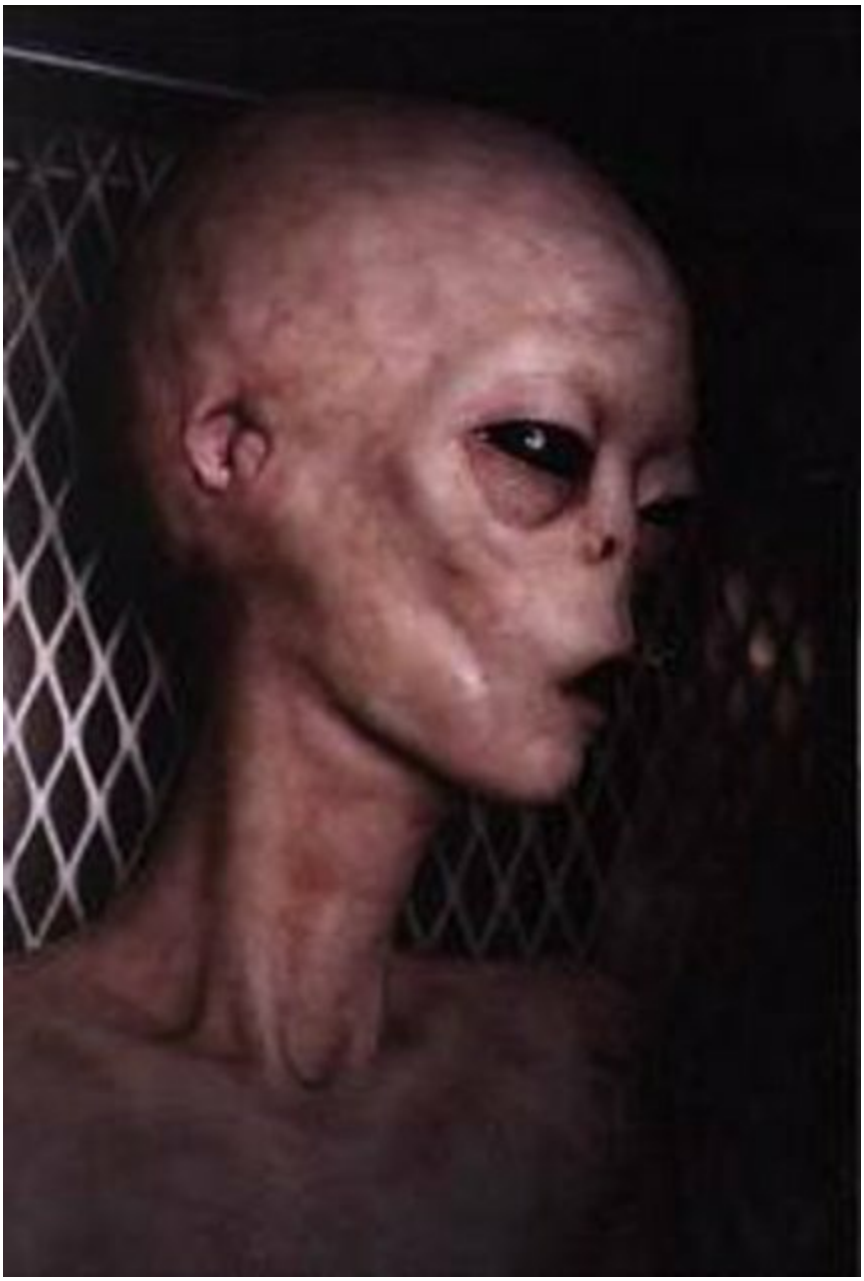
So fascinated are the U.S. Military with the sparkly technology offered by E.B.E.s that they offer live humans in return. The 6th and 7th level of DUMBs are exclusively for the purposes of genetic experimentation upon these unwilling victims. This author has not (and would not wish to) witnessed genetic experimentation or cloning. The following is therefore unproven testimony from persons now missing or deceased:

E.B.E.s are attempting to create a hybrid human/grey race capable of reproduction and far stronger and more intelligent than ordinary humans. It has been stated that bats, leopards, fish and birds have been 'spliced' with unwilling 'volunteers' to attempt to produce a 'chimera' that shall be capable of much more than humans can presently. Our very genetic makeup is being rearranged to include the introduction of wings or sonar, extreme speed and strength.

E.B.E.s are desperate to perpetuate their own species. From their

very appearance this seems impossible as they possess no visible genitalia. Some speculate they are organic androids. Should this not be the case then the ‘greys’ require a means by which they can reproduce or this species shall soon become extinct. Some people believe that greys are humans from the distant future.

At level 6 of the DUMBs human female wombs are utilised to bring to term a new species – a hybrid grey/human. This is perhaps why some have seen skin-coloured greys (our new cousins?).



It is believed by some that those abductees that were returned to their homes have a deep hypnotic implant that shall be ‘awakened’ upon a specific command sometime in the near future. They will

then proceed to follow a specific order placed in the brain at the time of the abduction. This is reminiscent of the film Invasion of the Body Snatchers. It is also the process used to control many of our performers such as Beyonce. Read my book **They Sold Their Souls to the Devil.**

Knowledge of the abductee's whereabouts at all times and total

control of his/her mind is affected by the tiny ‘probe’ that is inserted subcutaneously at the time of abduction. Once again there are you tube videos featuring the removal of such probes. It is said that in the near future we will all succumb to having a ‘chip’ inserted in our right wrist or forehead. This has become known as the Mark of the Beast (see my work on the Antichrist and Satan).

Without the ‘chip’ an individual ‘may not be able to buy or sell goods’ as specified in St John’s Revelation.

Many people claim to have seen greys and some have footage (I make no comment as to the validity of the videos found on you tube featuring captured greys). It is however possible that one or true may be genuine.

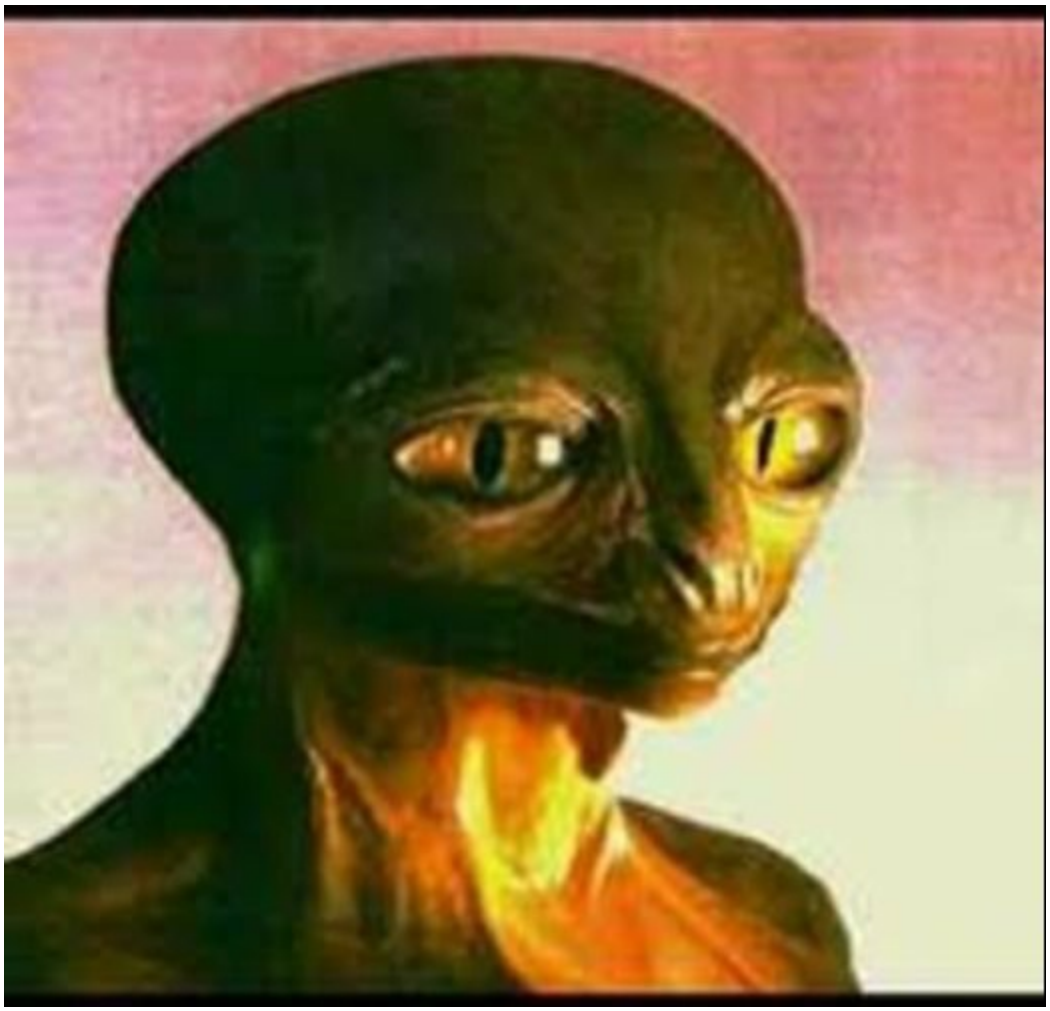
Greys are thought to originate from Zeta Reticuli: a wide binary Star system in the southern constellation of Reticulum

Reptoids or Draconians

Reptoids are apparently able to change shape at will yet may appear human.It is said that they have been present on Earth (yet hidden) for millennia and only in the past three hundred years

have they decided to take over our Governments and thus rule the world. Some postulate the greys are beholden to the Draconians. David Icke is the expert on this subject. I must say I found the prospect of shapeshifters unbelievable for many years. Now, well you must decide for yourself. It is postulated that the Bush family as well as many prominent figures, including the British Royal family are reptoids. Did Princess Diana know their horrific secret? For full details read my book **Princess Diana Had to Die.**

The author David Icke states that the British Royal family and other prominent figures are Alpha Draconians disguised as humans. David Icke does have many important points to make and I suggest you investigate his beliefs.



Nordics or Pleiadians

Perhaps the most charismatic of the three most commonly discussed alien races are the Nordics. They are extremely human-like with pale skin, blonde hair and piercing eyes. They made contact with the U.S. Government in 1979 but their demands for

world peace and disclosure of the Truth to the world's populous were rejected by the Carter administration. Read my book **Continent of Atlantis** for the history of Nordics and Aryans.

Wishing to inform the people of planet Earth of their presence and their good intentions the Nordics demonstrate their superior intellect and good wishes by forming crop circles (millennia ago they forged the creatures upon hillsides visible from space, such as the Chiltern Horse in the U.K. and the Nazca lines in Peru)

http://www.nascaperu.com/es/turismo-peru-nasca/lineas-de-nasca-peru

Many of the crop circles remind us of the Torus, the Merkaba and the Golden Ratio. If these subjects are of interest to you read The Unbelievable Future of the Human Race and my series entitled **THE GLORY OF GOD.**

Nordics have been warning the human race subtly that we are in the process of destroying ourselves and this beautiful planet. Nordics are spiritually advanced (have no need for a physical body) and are here to help those who wish to escape the clutches of the Illuminati, U.S. Government and the New World Order. Many people claim to channel Nordics.

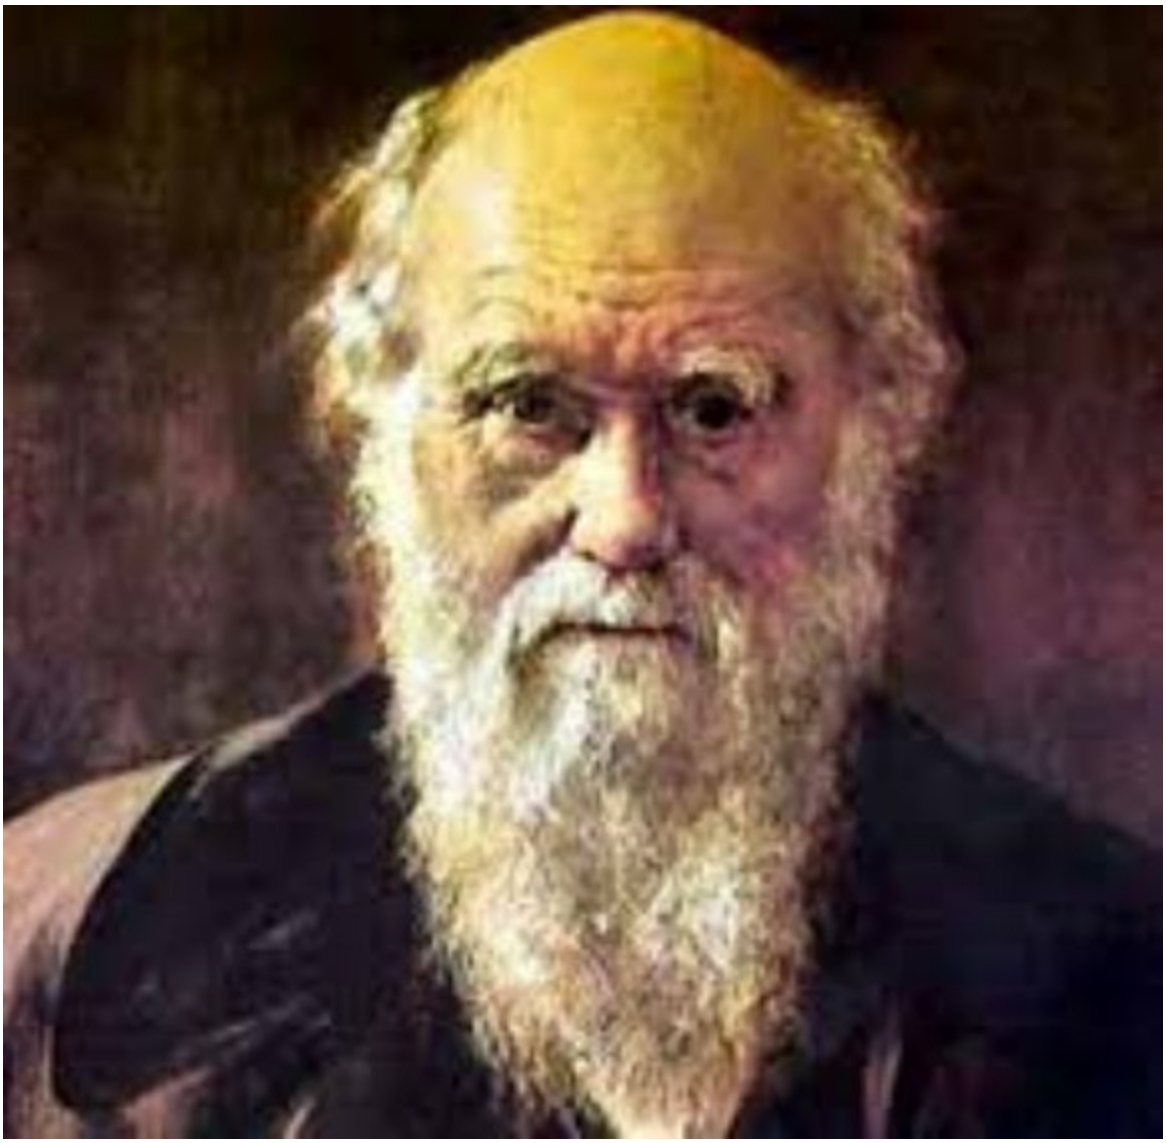
Personally I feel that it is wiser to attempt to contact them directly without an intermediary. Direct, personal knowledge supersedes all other forms. Others may lie to you or attempt to deceive. However there is one person (Billy Meier) whose experiences with the Pleiadians do seem plausible. Perhaps you may investigate his remarkable life.

Pleiadian craft appear in our skies daily. They emanate from wormholes and disappear in much the same manner. Swedes and Northern Europeans (the blondes) are said to be descendents of Pleiadians or Aryans.

Scientists are Guessing

Theories are all well and good but they are simply educated

guesses until absolutely proven. Was the Earth a ‘chunk’ of a Star or a ‘ball of swirling gases’ that somehow solidified then cooled over billions of years?



Darwinism is a rather lazy way of explaining how all life evolved from a kind of Primeval Soup. In his book The Origin of Species Darwin states that humans evolved from apes. If this theory is correct then we should be able to mate with apes. In fact we should still be apes. Apes are stronger than humans and obviously well adapted to their environment (if not, according to Darwin, they would have evolved into something else). If apes evolved into humans then why are there still apes throughout the world and what conditions were present for apes to suddenly begin wearing high heels?

If the ocean is the ocean why are there particularly large whales and also tiny fish? Wouldn't all oceaniic life evolve into the most advantageous form? I have lots more to say on this subject but I believe Darwin (despite his thousands of findings) didn't quite 'hit the nail on the head'. For a Victorian populous, enslaved by religion for thousands of years, a 'scientific' explanation was

welcomed. At this time in history the general populous had had enough of religion being rammed down their throats, observing the Church becoming ever richer.

Scientists hypothesise that all life originated in the oceans. Since this theory became popular many have attempted to recreate life in the laboratory using electricity to simulate lightning. Now we all know that lightning (like electricity) is earthed by the ground itself. It also sends massive electrical charge out of our atmosphere. How is lightning able to super-excite chemicals in the oceans? How on Earth did all these amino acids gather together to produce a fish let alone a human? Somebody please explain.

No wonder scientists have not been able to duplicate complex life forms. They should be attempting to duplicate them in Outer Space where the electrical charge is far greater than in the oceans.

If Darwin was correct then why do we have more DNA in common with pigs than we do with apes? In fact we have much in common with the puffer fish. Nobody has told me we evolved from puffer fish. Incidentally 50% of human DNA is in common with a banana.

Because the period of evolution is over millions of years any hypothesis may be considered valid. I learned at school that owing to the drying of pools of water over thousands of years gills became lungs so ‘fish’ adapted to breathe air rather than water. Well when I observe pools they dry up pretty darn quickly. This evaporation would be far quicker millions of years ago when the Earth was much hotter. What were the silly fish doing in pools in the first place when there is the ocean to swim in?

Give or take a few more million years the ‘air breathers’ sprouted legs and took to the trees in fear of their lives. Some magically developed wings and others long tails to hold their credit cards.

The concept of escaping from dinosaurs by developing wings makes no sense at all as many species of dinosaur were also aviators. The mere thought of hiding from a T Rex in the branches of a tree again is preposterous as the hungry carnivore will simply uproot the tree or pluck the ‘monkey’ from its perch.

When the danger from dinosaurs was past (fortunately there was a cataclysm in the form of a giant comet or comets that wiped out all dinosaurs – phew just in time) the shy tree dwellers returned to the ground to begin foraging. They must have been extremely hungry over the previous few million years.

A series of 14 human footprints with at least 134 dinosaur tracks has been discovered in the bed of the Paluxy River, near Glen Rose, Texas. Anthropologists are scratching their heads as of course humans and dinosaurs did not coexist. Did they?

When the dinosaurs had ceased to exist (all dinosaurs, all at once,

all around the world) there would be scant reason to take to the air to escape them. Then why didn't birds lose their wings and develop fingers, all the better to eat their KFC. After all we developed fingers whilst we were losing our pesky tails.

Much later clever 'apes' accidentally discovered the use of fire and that is why we have an abundance of internationally renowned chefs.

On a serious note I pose a question for you and scientists to answer. Given that humankind arrived on the world stage relatively recently they have since proceeded to dominate the planet in an extremely 'short period of time'. Why then did humans not evolve earlier? After all if natural selection is all about the fittest and finest adapting to the environment haven't we proven that we are by far the best?

I make no apologies for poking fun at Darwinism. Charles himself refuted his findings several months before his death. He had primarily focused on the Galapagos Islands before presenting his theory to the Linnaean Society in 1858. He studied extensively the slow moving giant tortoises. My question is why did these tortoises not become dolphins or whales? The latter are far better adapted to their environment. If Darwin is correct there would be less than a hundred species not hundreds of thousands.

Humans have not physically adapted at all well to their environment. When the First People of North America and the Inuit were encountered by ‘white man’ they died in their thousands of innocuous ailments such as the common cold. Even the strongest human cannot uproot a large tree as elephants can. Indeed as water is far more prolific than land why are we not living in the oceans?

We need a more realistic theory for how a species that is at the

same time brown, black, yellow and pink-skinned could become the Overlords of planet Earth. We must logically follow a regression back to our beginnings rather than hypothesising from which chemical bath we were sired.

Evidence

Documentary evidence for the existence of the human race extends backwards to around the year 2600 B.C. Sumerians and Egyptians were writing on baked clay tablets at this time. This only proves that there was already a language in play in both of these civilisations. The spoken word must have preceded the written word.

Therefore we must begin our quest for the origin of our species by asking ancient Egyptians and Sumerians. Did they record their history? Are they able to present to us clues that indicate how the

world and humankind were created? Indeed they are.

Sometime during his reign King Hammurabi of Babylon (1792 BC to 1750 BC) captured the inhabitants of the land we know today as Israel. He took prisoner thousands of Hebrews (there was no

Judaism in those days).

After the Battle of Carchemish in 605 B.C. King Nebuchadnezzar again enslaved people from this region. They were held captive in Babylon.

It was during the latter captivity in Babylon that Genesis was written. It was written by two scholars, both in captivity and both with access to ancient knowledge.

Many Hebrews were allowed to return to their homeland around 538 B.C. (following the Persian overthrow of Babylon). The remainder of the Torah was completed thereafter.

I shall point out right away that the book of Genesis should not be taken as Gospel. It was poorly copied from information contained in the Library of Ashurbanipal in Babylon. The book of Genesis

(written by two authors) was a rough translation of the Enuma Elish (written three thousand years earlier) in Sumeria.

Enuma Elish (Epic of Creation)

When in the height heaven was not named and the earth beneath did not yet bear a name...

The primeval Apsu (who begat them) - and chaos (Tiamut, the mother of them both).

Their waters were mingled together and no field was formed, no marsh was to be seen.

When of the gods none had been called into being, none bore a name and no destinies were ordained…..

Then were created the gods in the midst of heaven - Lahmu and Lahamu were called into being….

Ages increased then Ansar and Kisar were created….

Long were the days then there came forth Anu.

These are the first two paragraphs of the Epic of Creation.

So Sumerians not only profess to have knowledge of a time before the Earth was created they also name the earliest ‘gods’.

Compare this with Genesis:

In the beginning God created the heavens and the earth…. “Let there be light,”

No real clue as to how the Earth was created, just that it was created (which is self evident).

The Torah also originally spoke of Gods. It wasn’t until ‘Moses’ (himself a deposed Egyptian Pharaoh) led the newly named Israelites out of Egypt (every one of them a disgruntled Egyptian) that Gods became one God. The ‘believers’ were renamed

Israelites. They took the name of Esau's brother (Jacob became Israel). However Israel also means follower of the Lord (god) Ra. Interestingly Ra is the an Egyptian god.

At that time Hebrews still worshipped a pantheon of gods. In fact many Israelites returned to their 'false worship' after the death of 'Moses'. Consequently when Genesis was written there was still a belief in a pantheon of gods. They included:
Baal, Asherah, Yahweh, Astarte, Beelzebub, Amun, Nergal, Tammuz, Nabu, Bel

Many of these gods were shared with Assyrians, Sumerians and Egyptians.

It stands to reason if the Sumerian civilisation was the first then later civilisations would adopt their customs and their gods.

I repeat, all those who travelled to Israel were Egyptians as indeed was ‘Moses’. What is most disconcerting is that Moses was not his real name. The true history of humanity has been hidden from us and a fabricated version installed.

To really understand who we are and where we originated from read my books **Lies All Damn Lies**, **Arrival of the Anunnaki** and

HIDDEN TRUTH.

The term Moses actually means saved from water. After many translations of the Torah into so many languages the ‘child saved from drowning’ later became known as Moses.

I shall briefly explain this important stage in history as I have covered it extensively in other books.

‘Moses’ was the son of a princess. Shortly after he was born the Vizier dreamt that the child (upon reaching manhood) would present a serious problem to the future monarchy. The Vizier strongly advised having the baby put to death. In fear of her child’s life the princess spirited the baby away to a safe location. He was raised by foster parents. Bulrushes my arm.

In the ensuing years Egypt went through a dreadful period of

turmoil as first one ‘house’ then another made claim to the throne. Not only civil war but war with other nations reduced the power of the empire. Eventually his mother became Queen Tiye.

Queen Tiye reincarnated?

After the death of his father (Amenhotep III) the ‘child’ was placed

on the throne for a period of time.‘Moses’ was crowned Amenhotep IV. His Queen was Nefertiti. Whereas her tomb has been discovered his has not and never will be, because he died in Canaan.

The pair ruled Egypt for about 17 years from 1350 B.C.

On day 13 month 8, in the fifth year of his reign, he insisted on becoming known as Akhenaten (devoted to Aten). Aten is the disk of the Sun (Sun God).

From the outset Akenaten became rather unpopular as he insisted upon worship of one God. Zoroastrianism was the original monotheistic religion (originating in modern Iran). His foster parents were Zoroastrians. They had reared ‘Moses’ in their own belief system.

Destroying effigies of all the Gods and replacing them with a smiling sun face did not go down well with the majority of Egyptians.

Amenhotep IV clung onto his throne for a scant few years. Civil war again ensued and ‘Moses’ was banished to a satellite of the Egyptian empire known as Canaan. Coincidentally this is where modern day Israel now stands. He took with him like-minded Egyptians. This of course means the original Israelites were Egyptians. There were no Israelites until the banished monotheists created the tiny state of Israel. Israel has always been attacked on numerous occasions. In fact the whole of Canaan has ‘changed hands’ many times.

I have explained very briefly the time before the Exodus for a very important reason. Please prove me wrong (and many other authors who agree with my findings). If indeed I am correct then at least one segment of the Old Testament is incomplete. How much more?

Look at the facial features of the famous people below. Do you see a striking resemblance between the Obamas and Moses and his mother, Queen Tiye?

Akhenaten ruler of all

Another rather strange similarity is between the two ‘virgins’, Mary and Isis. Both were ‘visited’ by god and coincidentally their sons were born on December 25th. Horus and Jesus both performed miracles, were visited by three magi and a guiding Star. Both had 12 disciples

The Los Angeles Air Raid

Close on the heels of the Pearl Harbour invasion of 1941 came a scare in the air over Los Angeles on February 2nd 1942. Most of the residents of L.A. expected to encounter Japanese war planes when they were awoken by air raid sirens that morning. Yet hovering over Santa Monica and Culver City was a craft far larger than any aeroplane. It hung in the early morning sky. Planes were scrambled and an anti aircraft barrage began to play upon the hovering vehicle. Despite heavy fire from planes and ground ack ack fire the craft was totally unharmed. THERE WAS NO RETURN FIRE FROM THE CRAFT ITSELF. After an extended period of time the craft simply sped away. No explanation for this sighting has ever been offered by the U.S. Military.

Above: photo of the L.A. UFO 1942

Phoenix Lights

On March 13th 1997 over Arizona, Nevada and Sonora, Mexico a series of lights were seen for over three hours in the sky. At least 30,000 people were witness to the dancing lights that repeatedly regrouped to form triangular and circular formations. The ‘lights’

were accompanied by an L-shaped craft that was significantly larger than the others. This scene has been repeated on numerous occasions since giving Phoenix the name of UFOville.

What is truly alarming is that certain websites containing photos of the UFOs in the skies above Phoenix are inaccessible as if the U.S. Government is preventing access. Prove this to yourself by typing in phoenix lights ufo on google. Now try to access photos by Dr Lynne Kitei or www.thephoenixlights.net

Since the crash landing of a U.F.O. at Roswell in 1947 the belief in unidentified flying objects and their occupants has increased until now perhaps an overwhelming majority of the world's population have either seen or believe in extra terrestrial beings. Why then does the United States Government continue to stonewall enquiries from members of the public? Some think it is because the U.S. Government has its own secret agenda that does not bode well for its citizens or the citizens of planet Earth.

Returning to the origins of our planet.

Sumerian writing tells us that the first gods were named Lahmu and Lahamu. Much later a god named Anu enters the scene. We shall return to this extremely important god later.

How was Earth created?

According to the Enuma Elish:

He (Marduk) made a net to enclose the inward parts of Tiamat.
The four winds he stationed so that nothing of her might escape.
He created the evil wind, and the tempest, and the hurricane.
He sent forth the winds which he had created, the seven of them.
To disturb the inward parts of Tiamat, they followed after him.

I have skipped a great deal of the Enuma Elish (please read Arrival of the Anunnaki if you want the full script).

Marduk is a god. When he was granted rulership of our planet for a very ‘short time’ during the Ascension of Aries in our skies he had the Enuma Elish rewritten. He interposed his name in place of our own Sun’s twin star. I shall not explain further. The proof is in

my previous books especially Arrival of the Anunnaki. For those of you who have not read this book please accept the following as an explanation for the origin of Earth.

Science Fact

For many years it was widely accepted that our solar system contained nine planets. When Pluto exhibited erratic behaviour cosmologists preferred to downgrade it rather than have ‘future egg on their faces’. Pluto is in fact a satellite of another Star that is the twin of our Sun

This Star has been called Planet X, Wormwood and Nibiru. Once again if you are unfamiliar with these names read **Arrival of the Anunnaki.**

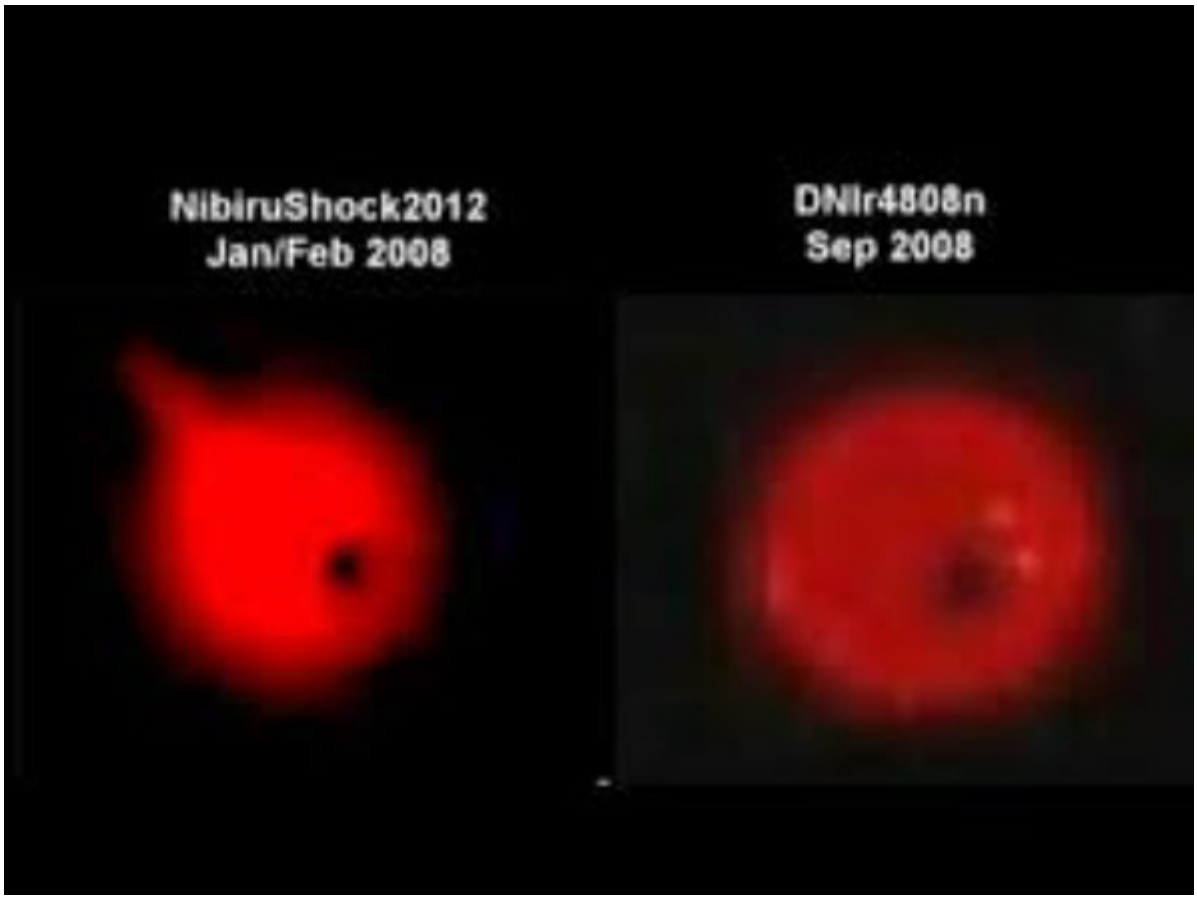
Suffice it to say astrophysicists have proven there is a second Star

that is our Sun's twin. Of course the two Stars cannot be close to each other. We would need Factor 1000000 suntan.

The two Stars orbit in a figure of eight pattern (serpent-like as I shall explain later). Every 3600 years or so they reach their perigee (closest distance to each other).

Quote from space.com, August 26th 2013:

"Nemesis (Nibiru) is a theoretical dwarf Star thought to be a companion to our sun. The theory was postulated to explain a perceived cycle of mass extinctions in Earth's history. Scientists speculated that such a Star could affect the orbit of objects in the far outer solar system, sending them on a collision course with Earth".



Nibiru, Nemesis, Planet X, Wormwood is thought to be a brown dwarf. It is the Sun's companion. There is strong evidence to show that when the two Stars approach each other it may spell trouble for our planet. Anyone remember the Great Flood?

When the twin Stars approach each other a cosmic cataclysm is extremely probable. The gravitational pull of two Stars in our solar

system is sufficient to affect the orbits of the planets. But we don't care about the other planets, only Earth.

Let us call a 3600 year period a SAR. The Sumerians did. They spent long periods observing the 'heavens' searching for the return of Nibiru. Sumerians were told that their gods had originated from Nibiru. Who told them? The gods themselves. Which brings me smartly back to Anu.

Anu was the boss. He ruled from Nibiru and visited Earth (Ki to Sumerians) every 3600 years or so. His eldest sons were given our planet as a present. İn return they gave Anu and his spouse Antu all the gold they could carry in a big space basket. No really that is why the ‘gods’ spent so much time on Ki. They were raping our

planet.

Enki (real name Ea) was granted rulership of all that lay beneath the ground and the oceans. His younger brother Enlil ruled the air, airways (radio transmission) and the land. Despite Enki being older Enlil was heir to the throne of Nibiru.

Nibiru is commonly thought to be an inhabited planet that orbits our Sun's twin Star. Recently the Star itself has been given the name Nibiru. For a full explanation I beseech you to read Arrival of the Anunnaki as many readers already have.

We shall return to the present after the remaining evidence from the Epic of Creation.

Tiamat was originally the third planet from our Sun. The Earth did not exist. Marduk, Wormwood or Nibiru is reference to the Sun's

twin star and its orbiting planetary system:

As Tiamat opened her mouth to its full extent,

He (Marduk) drove in the evil wind.

The terrible winds filled her belly, her courage was taken from her and her mouth she opened wide. He seized the spear and burst her belly. He severed her inward parts, he pierced her heart. He overcame her and cut off her life. He cast down her body and stood upon it.

When he had slain Tiamat her host was scattered…..

Kingu was exalted over all other warriors.

I have no intention of boring you with the enormously long Enuma Elish. Suffice it to say Tiamat was battered by the brown dwarf star system racing around our Sun as it accelerated to break free of our Sun's gravitational pull. In the process 'Nibiru' dragged its own planetary system in its wake as well as comets, electrical discharge, storms, etc

This cosmic cataclysm occurred around fourteen billion years ago.

Tiamat was struck by seven heavenly bodies. It was ripped asunder (mouth she opened wide). Most of Tiamat (burst her belly) lies as the asteroid belt between Jupiter and Mars (the Firmament in Genesis). The much smaller chunk that remains to this day we call Earth.

One of the satellites that remained behind after this cosmic event was Kingu (we call it the Moon).

Unbelievable? Then why are the American Military building a vast underground network that stretches from the west to the east coast of the USA? Why are so many telescopes in space turned towards a particular celestial object that may be seen in the Southern Hemisphere right next to our Sun? Nibiru is due to come closest to

Earth in the year 2045. The elite want to be secure miles underground whlst the population fries.

We rely heavily on scientific proof these days. When scientific fact is not available there is a lazy tendency to return to religious teachings or Darwinism. The major world religions are relatively young and each mimics the other in many ways. Despite the fact that Muslims, Jews and Christians are thought to have vastly differing belief systems it is merely the pomp and ceremony that separates them. The answer to how life was formed on Earth must be found in ancient knowledge (original religion) backed by modern science.

First the Modern Science explanation

"We want to know where we were born. If we can figure out in what part of the galaxy the sun formed, we can constrain

conditions on the early solar system. That could help us understand why we are here," said Ivan Ramirez of The University of Texas.

2500 light years from Earth are three planets orbiting a brown dwarf. This Star is almost identical to our sun and is approximately the same age. Visit Daily Mail Science page.

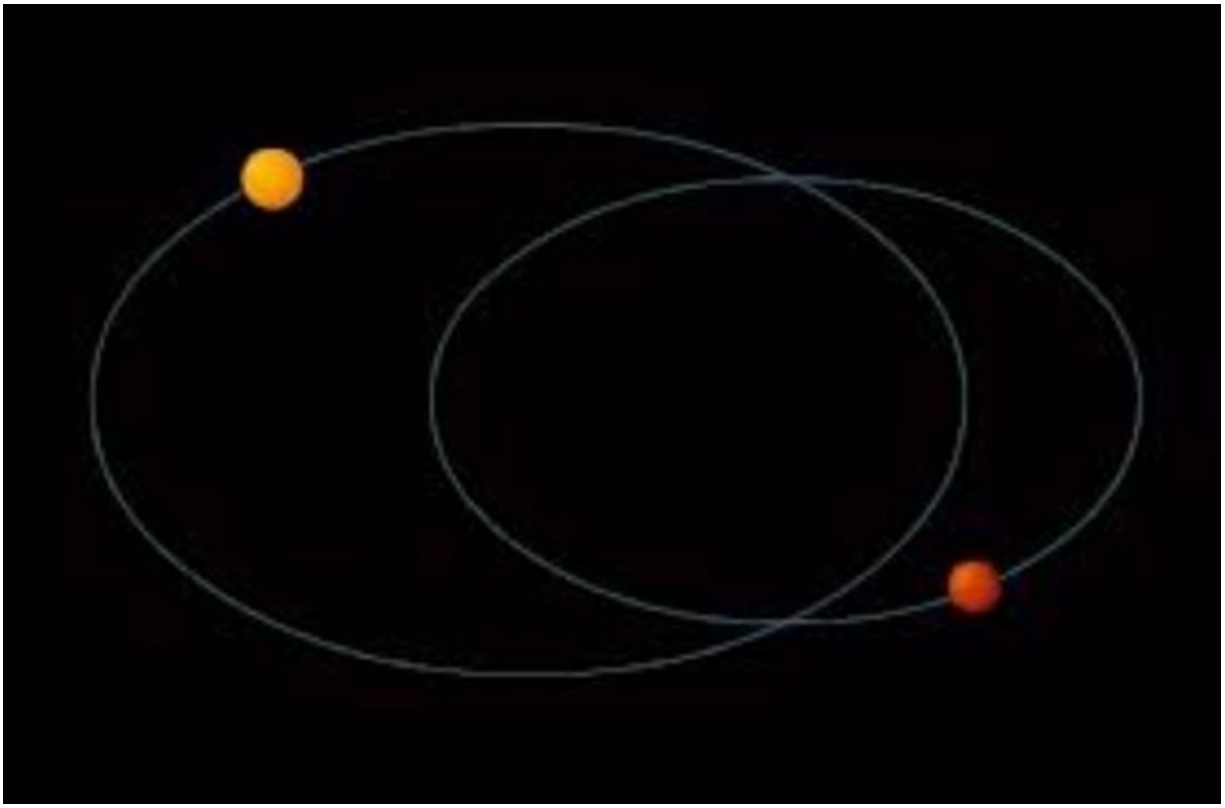
One planet is a third of the mass of Jupiter and as it orbits its sun every 7 days it is so hot it appears to glow red with ‘fiery wings’.

This symbol is found in ancient archaelogical sites:

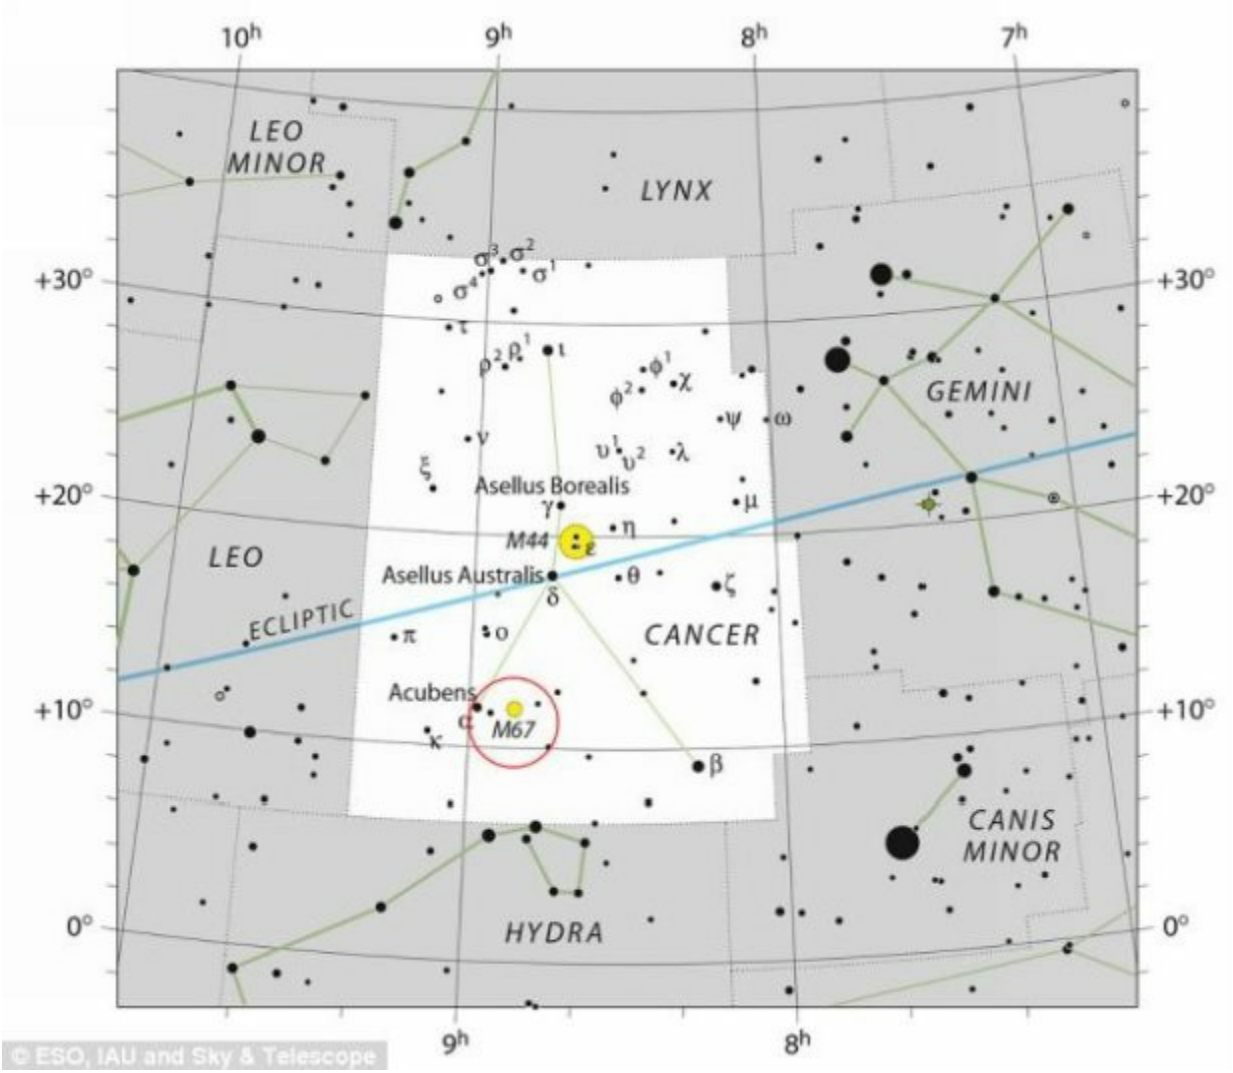
Nibiru is thought to return to our solar system every 3600 years. If this brown dwarf and its planetary system are indeed Nibiru then the time period is approximately correct.

For the shocking truth regarding the imminent destruction of Earth read my book **Nibiru Destroyer of Earth.**

Our sun and Nibiru orbit in a figure of eight around each other, much like a serpent.

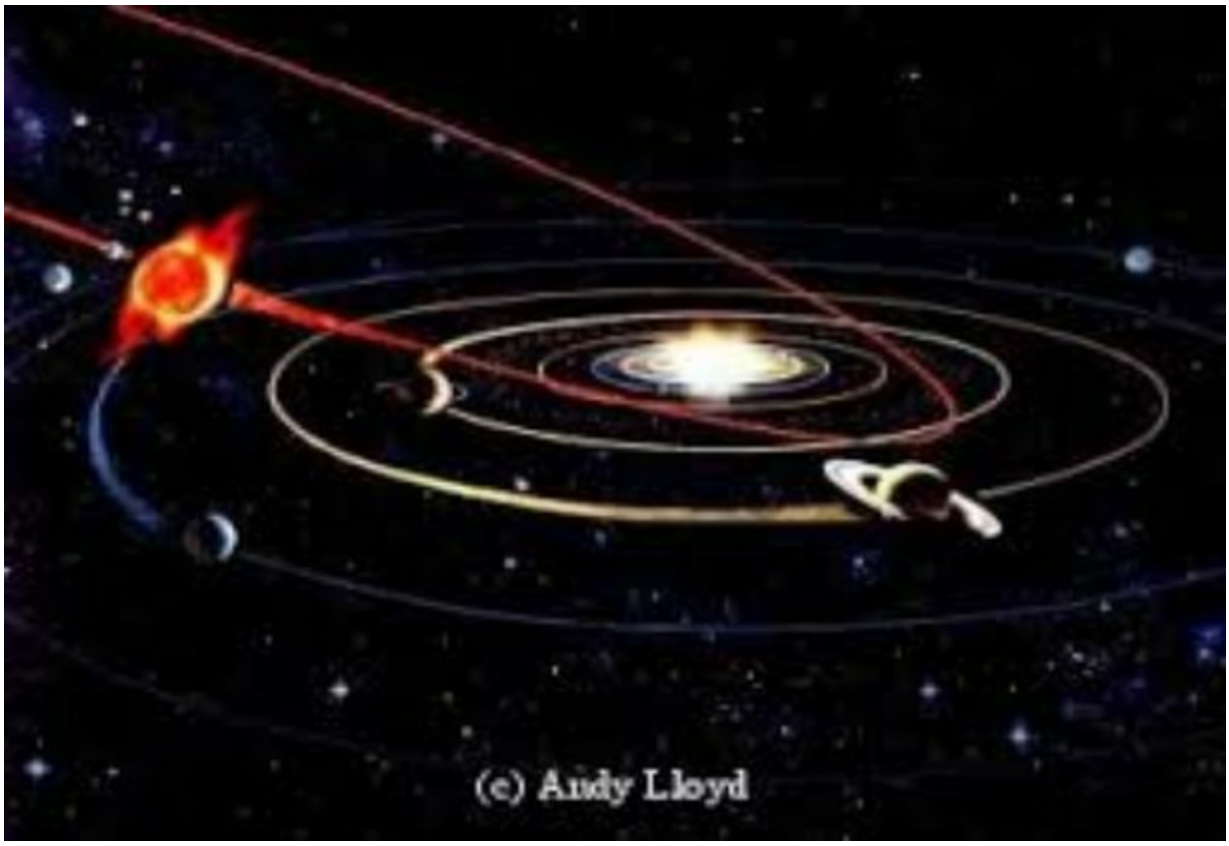


We shall investigate this comparison later.



Astronomers have used ESO's HARPS planet hunter in Chile, along with other telescopes around the world, to discover three planets orbiting a star in the cluster Messier 67. Pictured below is an artist's impression of a planet with a sun like our own.

This Star is the first ever found that was created in the same "birth cluster" as our sun.



The chemical composition of this system is largely silicon, aluminium, magnesium and calcium. The elements and ratios are indeed similar to those found in our planet. Therefore, astronomers believe that one of the planets may be capable of supporting life.

Nibiru returns periodically dragging planets, satellites and space debris in its wake. It has brought devastation to our system on many occasions. One such occasion was recorded as the Great Flood. Others may have signalled the demise of Lemuris and Atlantis. See my other books. The reason astronomers are so worried about the increased frequency of comets recently is because they know the Sun's twin star has returned to our Solar

System.

As long ago as 1846 astronomers spotted Uranus behaving erratically. Uranus is unusual in that its spin axis is inclined by 98 degrees compared to its orbital plane around the Sun. This is far more pronounced than other planets, such as Jupiter (3 degrees), Earth (23 degrees), or Saturn and Neptune (29 degrees). Uranus is, in effect, spinning on its side. Pluto has an erratic orbit that takes it around and between Neptune and Uranus.

July 2013, a report stated:

Neptune has a new moon, and its existence is an enigma. The object, known for now as S/2004 N1, is the first Neptunian moon to be found in a decade. Its diminutive size raises questions as to how it survived the chaos thought to have created the giant planet's other moons.

Uranus’s highly tilted axis makes it something of an oddball in our Solar System. The accepted wisdom is that Uranus was knocked on its side by a single large impact, but new research revises our theories of how Uranus became so tilted and also solves fresh mysteries about the position and orbits of its moons.

By using simulations of planetary formation and collisions, it appears that early in its life Uranus experienced a succession of small punches instead of a single knock-out blow. This research has important ramifications on our theories of giant planet formation.

Most of the planets in our solar system spin on their respective axes "counterclockwise." But Venus and Uranus spin "clockwise" (if viewed from above Earth's North Pole, down onto the plane). Uranus is tipped at 90 degrees, spinning contrary to all of the other

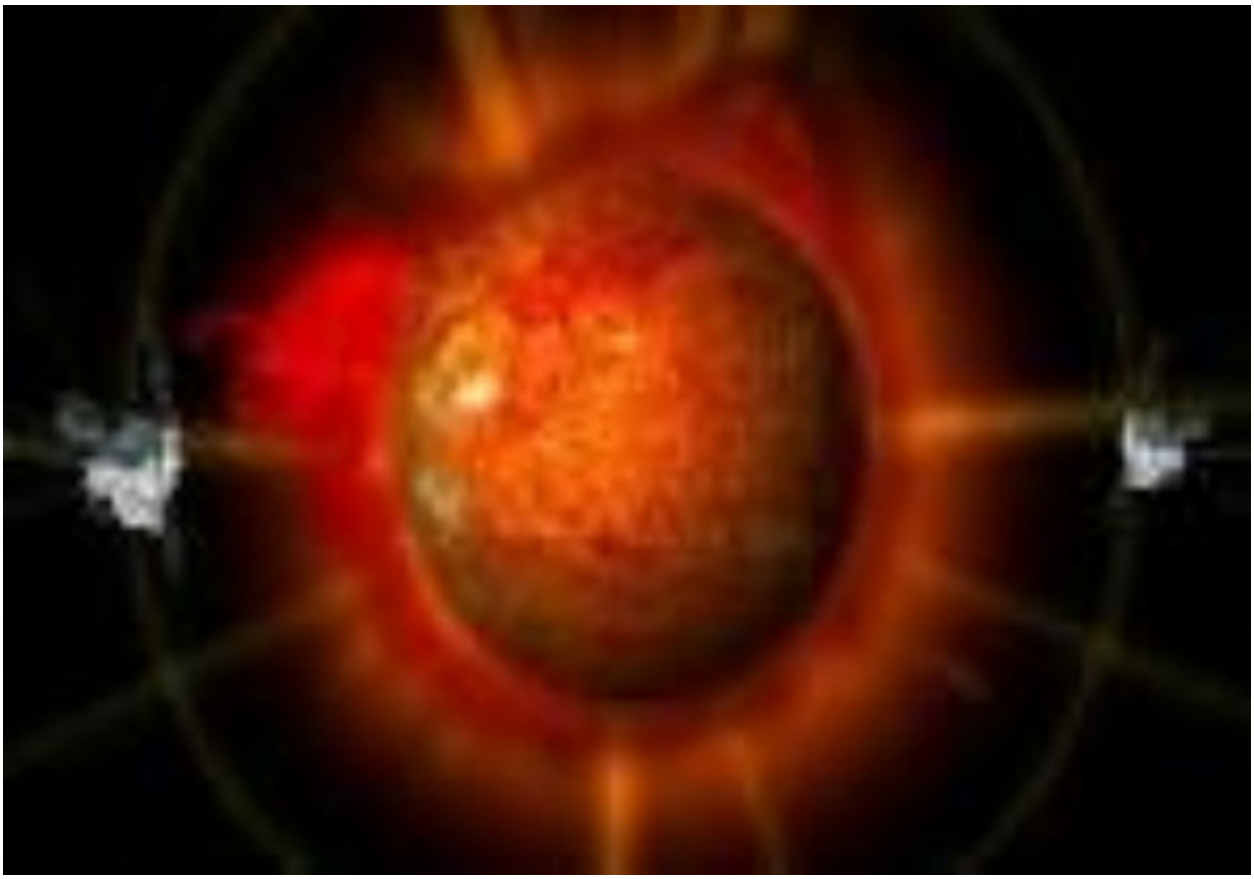
planets. Pluto is also tipped over, with an orbit that is mostly outside of the plane used by the other bodies orbiting the sun.

Do we not find these facts strange? Please do investigate.

My hypothesis is that our planet is the remnant of a far bigger planet (Tiamat) from a collision perhaps 14 billion years ago. The Pacific Ocean is testament to this as it appears as a yawning hole on one side of Earth where the remainder of Tiamat shouild be.

Microscopic lifeforms were most probably brought to Tiamat/ Earth during the collision with not one but seven heavenly bodies. Now we have a reason for why there are a myriad lifeforms on Earth. One planet is provided with a finite number of elements yet collectively a group of heavenly bodies would certainly contain a much greater variety of elements. Our planet was blessed with seven times the average number of elements granted to one planet This ‘bath’ of chemicals churning in super heated oceans goes a

long way to support scientist's origin of life on Earth. In particular it answers the question "why is there so much diverse life on our planet?".



Ancient Egyptian Evidence

Ancient Egyptians offer a great number of explanations for the

creation of the human race.

I shall offer here the commonalities:

- Earth was created from chaos (Nu)
- The Cosmic Egg

The Nu is the source of all that appears in a differentiated world, encompassing all aspects of divine and earthly existence. Nu is perceived as transcendent at the point of creation alongside Atum the creator god. Atum's name is similar to Anu. Atum is complete (the whole) and Atum completed creation. As creator he was seen as the underlying substance of the world, the deities and all things. We are all aspects of the One as detailed in my series **The Glory of God.**

Various other gods were said to have breathed life into clay by employing Ka (Divine energy).

The Cosmic Egg is akin to the Primeval waters in the Enuma Elish. Gods were hatched from the Cosmic Egg buried in the Primeval Mound within the Primeval Sea.

Creation of Life

Atum masturbates using his left hand (the female principle). The first children were produced by Atun sneezing and spitting on his semen. They are named Shu and Tefnut. These are the sounds made by sneezing and spitting. Geb and Nut were children of Shu and Tefnut. Their children were Isis, Osiris, Seth and Nephthys.

In Sumerian lore Geb and Nut are Enki and his half sister Nintu (lady of the rib). Their children are Inanna, Dumuzi, Nergal and Ereshkigal.

In point of fact Egyptian explanations were based entirely on the original Sumerian doctrines as indeed were Assyrian and Akkadian. Finally Genesis was written.

I really have covered all this in other books and have no intention of boring my regular readers. Please accept that the Sumerian

civilisation is the oldest known civilisation (since the Great Flood). The Egyptian civilisation arose around 1500 years after Sumeria.

Both cultures agree that the Earth was created from chaos. This is not surprising as (just as biblical scholars had) the Egyptians copied the Sumerians. Over a period of centuries changes were made to the original yet the fact remains the Sumerians were first.

Marduk and his brothers Seth and Osiris (Nergal and Dumuzi) were at one time and another entrusted with the new Egyptian civilisation. Marduk was a hard guy to please and apart from Inanna (Isis) was the biggest trouble maker of all the gods. For this reason Egypt was split, attacked and fragmented on many occasions.

The youngest of Enki's sons, Ningizzida was eventually granted rulership of South and Central America. Perhaps his most famous

pseudonym was Quetzalcoatl.

So we may expect South American and Central American and perhaps North American creation stories to agree with the Sumerians. With tiny alterations and god name changes they in fact do. They also agree with the Flood story.

So far we haven't established how the human race was 'created'. Scientific explanations of Primeval Soup followed by slow evolution with mutants popping up to alter the gene pool radically are brilliant. I am now satisfied that my grandfather was a frog – after all I looked like a tadpole when I was a really small foetus.

If you are prepared to accept evolution as the explanation for the creation of humans then please read no further. After all your mind is made up.

“I will produce a lowly Primitive

"Lulu" shall be his name.

I will create a Primitive Worker;

He will be charged with the service of the gods,

that they might have their ease”.

The passage above (and a heck of a lot more) is accredited to Enki. Just as we have scientists so did the Anunnaki (gods). Whereas Enlil was a pedant warrior Enki on the other hand was a poet scientist. Oil and water. Both had designs on their half sister (Nintu). The first to produce a male through her would guarantee rulership of Nibiru for their offspring.

Nintu was a geneticist of renown. She had for some time altered the genes of plants and animals for the following purposes:

- Better health
- Longer life
- Diversity

- Better taste and quality
- Stronger
- More resistant to disease

There were only 300 Anunnaki in the ‘first wave’. As more workers were shipped from the Nibiru system to perform brute labour (Igigi) the grumbling increased. They saw no reason to’ break their backs’ building great rivers such as the Nile and Euphrates and especially they disliked spending years under the earth mining gold. Somewhere between 250000 and 300000 B.C. these guys initiated a major revolt. It was so serious that Enlil and his wife Ninlil were almost murdered.

An impassioned Ninlil appealed to Enki (more likely Nintu) to save the lives of her and her husband. Far from grasping the opportunity to rid himself of his brother/rival Enki (and Nintu) rose to the occasion and created humans. Thank goodness I hear you cry.

We do come from apes but not quite as Darwin would have us believe. I did say he hadn't quite 'hit the nail on the head'. Just how we humans were formed I shall leave to the end of the book. For now let us return to the Creation Story.

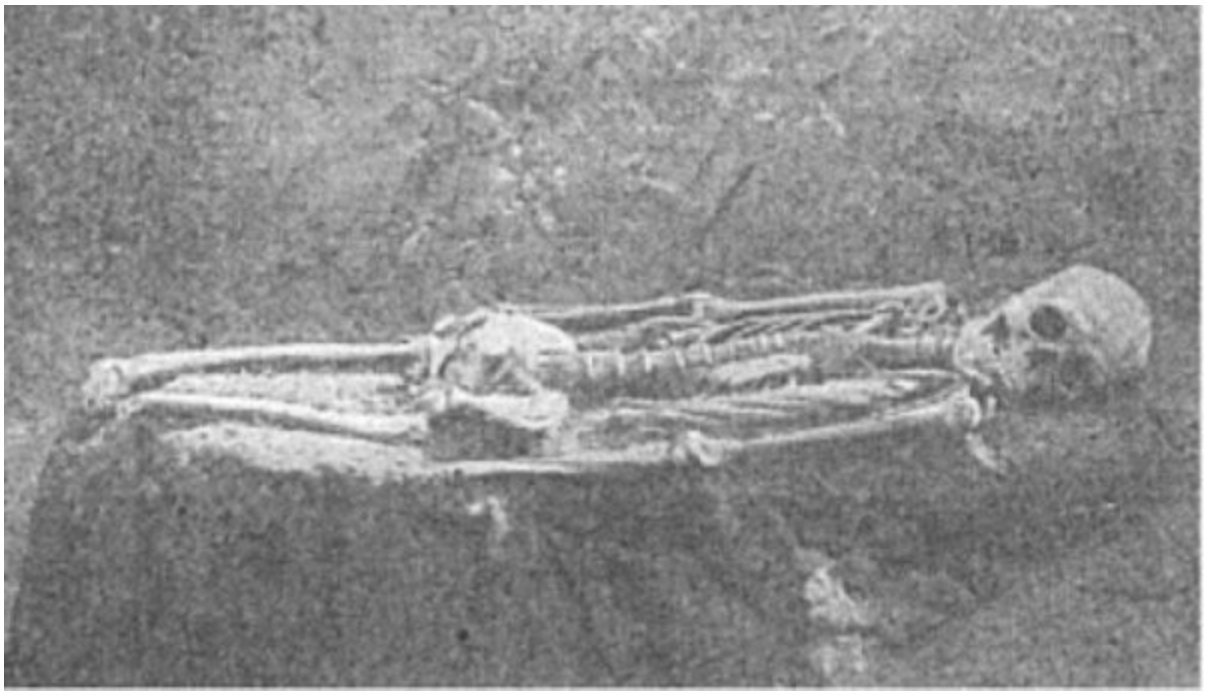
Serpent Mounds

Quote from Indianapolis Journal 5th March 1894

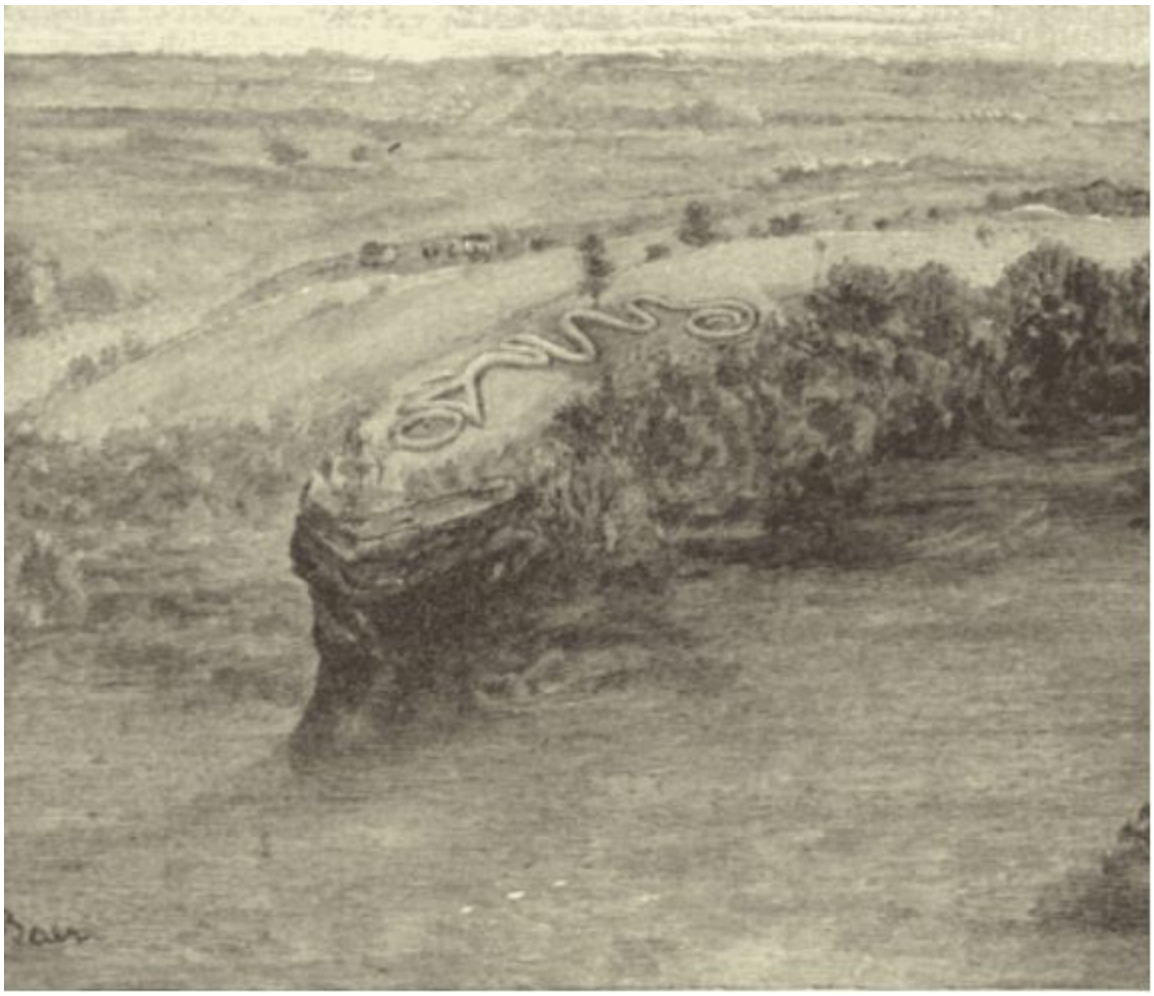
Giants of Other Days: Recent Discoveries near Serpent Mound, Ohio.

Warren Cowen recently discovered several ancient graves in Highland County, Ohio. The Serpent Mound is one mile away. Limestone slabs covered each grave. Inside each grave was an extremely old skeleton. The remains were of 'humans' almost three

metres in height.



This high point of land is known to locals as the Serpent Mound. The countryside around represents a serpent coiling several times with a distinct head and an ‘egg’.



Situated in Ohio Brush Creek, Adams County, Ohio the Serpent is over 420 metres long, raised one metre from the ground. The head is aligned to the summer solstice. The curves of the body correspond to lunar movements. The coils are aligned to the solstices and the equinoxes. If 1070 CE is accurate as the construction year, building the mound could theoretically have

been influenced by two astronomical events: the light from the supernova that created the Crab Nebula in 1054, and the return of Halley's Comet in 1066

The Serpent Mound is thought to have been created in accordance with the pattern of stars known as the Draco Constellation.

The 'egg' is thought to be our Sun. The Serpent is depicted as 'swallowing' the egg.

This is some feat for 'primitive' humans.

More recently a crop circle has appeared that points to the Serpent Mound.

Who created it, when and why?

Yet there are many more such mounds throughout the world, all representative of a Serpent. These include the Avebury and Cadbury mounds in Wiltshire and the ancient site of Camelot in England.

When Stonehenge was first built it was most likely in the form of a Serpent. The famous standing stones are the head. Over the centuries many stones have been taken to build dwellings. Other stones are dotted around the countryside and only an aerial view and a little imagination shall confirm it is in the shape of a serpent.

All Serpent sites are on ley lines (power routes).

The Serpent is representative of the cosmological path (figure of eight) of the twin stars. The Cosmic Egg is our Sun being 'swallowed' by its twin every 3600 years. If you are in the Southern Hemisphere look at the early morning sky. There are two suns.

The Sacred Serpent

When St. Patrick sailed to Ireland he was on a rather strange mission from the Pope. St. Patrick had been instructed to rid the land of snakes. This is a task that no singular individual can accomplish and furthermore to my knowledge there were no poisonous snakes in Ireland ever. Was the Pope planning a summer holiday in Galway?

Like all ancient tales the truth masquerades as fiction. Snakes were not mentioned in the communication between the Pope and

Patrick, rather it was serpents.

I believe I have mentioned the two sons of Anu previously. They were named Enki and Enlil. They and their families ruled the entire planet for hundreds of thousands of years. Their eldest sons were rivals for the throne of Nibiru. Marduk and Ninurta respectively battled all over our planet many many times. Marduk has many names including Zeus and Jupiter. Ninurta likewise was Mars and Aries. Again I point you to my previous writings.

The family of Enki were the ‘Serpent Line’ whereas Enlil’s kin were bulls. Marduk chose the Ram as his symbol as he eventually singlehandedly ruled our planet (some believe he still does) when Aries was ascendent in the ‘heavens’.

Symbology since ancient times abounds. I shall provide you with a few scant examples.

Quetzalcoatl (alias Ningizzida, Enki's youngest son)

The Feathered Serpent

Ram (eses), Ra, Zeus, Marduk, Amon are one and the same.

Ram symbol for Ra

Enlil (bull) ruled during the period when Taurus was in the ascendent.

Now we know why Astrology was so important to the ancients. The ascendency of each constellation signified the period of

rulership for each chosen ‘god’. Note the Zodiac goes ‘backwards’.

Every single ancient civilisation relied on the Zodiac, standing stones, observatories and space satellites (yes the ‘gods’ built them long before we did) to ascertain just precisely where the Nibiru system was in relation to Earth.

The serpents that St. Patrick had to rid Ireland of were descendents of Enki. What? Gods in Ireland? Haven’t the Irish people been telling you this for centuries. They were ruled by giants and these giants were gods. As an aside why not investigate Hy-Brazil (the remnants of Atlantis) also in the Irish Archipeligo. Not so stupid these Irish, eh? Why do you think the Black Prince and successive English Governments wanted to ‘rape’ Ireland?

Many authors (including myself) have proved conclusively that ‘aliens’ were our Overlords for hundreds of thousands of years. I

am not going to repeat their work. These extra terrestrials originated from other planets.

Officials Step Forward

Nick Pope worked for the UK's MOD from 1985 to 2006. Despite officiallydiscrediting the existence of flying saucers for his entire career in the Defence Ministry he has since stepped forward to announce his belief in UFOs. He cites Government files that have been made available to the public since 2009. He wrote Open Skies, Closed Minds and video footage may be found on

In the second video Nick lectures on the subject of the Rendleshem forest UFO sightings.

Beings from other dimensions

Physicists have proven that we reside in a ‘bubble’ we call the third dimension. Other dimensions co-exist with ours, layered around one another like Babushka dolls. This is perhaps the best way to describe parallel universes or co-existing dimensions. Space and time are illusory so all dimensions co-exist in the same space and at the same time. Nassim Haramein explains this succinctly. I provide an explanation in the series **The Glory of God.**

İn other dimensions are lifeforms that differ from humans. Indeed there are many different lifeforms in our own universe. Think of a dimension as a radio channel. Individually we ‘tune’ to a specific set of wavelengths and collectively we acknowledge that this is our reality. In fact all realities are merely holograms as I shall explain later in the series.

Should any of the neighbouring ‘radio channels’ overlap then beings from one dimension may enter another ‘touching’ dimension. Since many stupid humans and devil worshippers have been summoning demons for countless years the fabric between our dimension and that below it has been ‘torn’. The LHC in Switzerland has also created a wormhole between dimensions. A larger, more powerful collider is due to be tested in March 2015. Hmm I cannot wait.

Consequently beings from the lower dimension are ‘leaking’ into our reality with dire consequences. These are the bizarre looking creatures found throughout the world.
Others ‘leak’ from a higher realm. They include the shape-shifting UFOs that seem to suddenly appear and disappear. The greys inform us they are humans from our future. Really?

Nuclear Missile Warheads Deactivated

If alien beings wished to invade our planet they would have done so hundreds or even thousands of years ago. On the contrary there is compelling evidence that the aliens are attempting to prevent the U.S. Military from controlling or even destroying our planet through nuclear war.

Captain Robert L. Salas (U.S. Air Force 1964 to 1971). He was an air traffic controller and a missile launch officer as well as an engineer on the Titan 3 missiles.

In March 1967 Salas witnessed the effect of superior alien technology. He unequivocally stated that 16 nuclear missiles became non-operational at two different launch facilities immediately after UFOs were spotted hovering overhead. At the debriefing an officer from the Air Force Office of Special Investigations required Capt. Salas to sign a non-disclosure form. He was instructed not to talk about the event to anyone including his family or other military staff.

At a time during the Cold War when minor technical anomalies were openly communicated amongst the staff this incident was highly unusual.

Captain Salas' Testimony

The UFO incident happened on the morning of March 16, 1967. I was on duty along with my commander Fred Mywald. We were

both on duty at Oscar Flight as part of the 490th strategic missile squad and there are five launch control facilities assigned to that particular squadron. It was still dark out and we were sixty feet underground [at the ICBM launch control facility].

It was early in the morning and I received a call from my topside security guard who's the flight security controller. He said that he and some of the guards had been observing some strange lights flying around the site around the launch control facility. He said they were acting very unusual just flying around, and I said, "You mean UFOs?" He said, well, he didn't know what they were, but they were lights and were flying around. They were not airplanes; they weren't making any noise. They were not helicopters; they were making some very strange manoeuvres and he couldn't explain it.

It wasn't more than a few minutes – maybe a half hour later – and he calls back. This time he's very frightened. I can tell by the tone

of his voice he's very shook up. He says, "Sir, there's a glowing red object hovering right outside the front gate. I'm looking at it right now. I've got all the men out here with their weapons drawn."

I immediately went over to my commander (who was taking a nap – we have a little cot down there for rest periods) and I was telling him about the telephone call we just received. As I was relating this to him our missiles started shutting down one by one. By shutting down I mean they went into a "no-go" condition meaning they could not be launched. So we get bells and whistles – a red light no-go condition.

These weapons were Minuteman One missiles, and were of course nuclear-tipped warhead missiles. As they started shutting down, immediately he gets up, and we both start querying the status board. We've got the ability to query and determine what the cause of the shutdowns was. As I recall, most of them were guidance and control system failures. And then he started reporting to the

command post. In the meantime I called upstairs to find out what the status was of this object and the guard said, well, the object has left – it just left at high speed.

The Air Force did an extensive investigation of the entire incident and was not able to come up with a probable cause for the shutdowns. And I've got quite a few witnesses that will testify to that. We've got a couple of people who worked on the investigative team. And I've got correspondence from the man who actually organized the investigative team. There was no viable explanation for this [shutdown of multiple ICBMs].

Each missile is basically self-supporting. Most of them are powered by commercial power but each missile has its own power generator. At our site anywhere from six to eight went down, but they went down in rapid succession, which again is an extremely rare happening. We rarely had more than one missile go down for any reason at all.

After I talked to my guard upstairs, my commander talked to the command post. When he finished talking to the command post he turned to me and said, "The same thing occurred at ECHO Flight." ECHO Flight is another squadron, I'd say probably 50 - 60 miles away from our location, but they had the same sort of thing happen. They had UFOs that were hovering, not at the launch control facility, but at the actual launch facilities where the missiles are located. They had some maintenance and security people out there at the time and they observed the UFOs at those sites. Now they lost all ten of their weapons – all ten.

So we lost anywhere from between 16 to 18 ICBMs at the same time UFOs were in the area and were observed by airmen. Those missiles were down the entire day because we've got testimony from Colonel Don Crawford, who relieved the crew at ECHO Flight. He was there when the missiles were being brought up to alert status, and he said it took the whole day. So I'm assuming it

took our missiles all day to be brought back up also.

I wrote up a report about this incident – it was in my log – and I turned it in. When we got to the base, we had to report to our squadron commander right away. And in that room with my squadron commander was a fellow from AFOSI (we had an Air

Force Office of Special Investigations on the base). He was there in the office with the commander. He asked for my logs, and he wanted a quick briefing, although it seemed to me he knew pretty much what had happened already. But we gave him a quick briefing.

Then he asked us both to sign a non-disclosure agreement saying this was classified information. We were not to release this to anybody, and that was it. We couldn't talk. He told us we could not talk about this to anyone, including any of the other crews, our spouses, our family, even amongst each other.

I've got a copy of a telex which we received under FOIA (Freedom of Information Act), coming from SAC (Strategic Air Command) headquarters. It came to Malstrom and other bases right after the morning that happened saying that this incident was of extreme concern to SAC headquarters because they couldn't explain it. Nobody could explain what happened. And yet we never got de-

briefed. And we were cleared for very high classification because these are nuclear weapons we're dealing with.

We did get the security incursion alarms at those sites when the missile went down. That is unusual because usually when a missile went down for something like guidance failure, we wouldn't get security incursion alarms, which means a perimeter is breached, an object crossed the fence, or something broke the security alarm system that we had on the perimeter of the launch facility. I did sent out guards to a couple of those facilities to investigate that.

The reason I think this story is very significant is because, going back to August of 1966 at Minot, ND, a very similar thing happened at one of the launch control facilities at Minot Air Force Base. They had the same kind of weapon system that we had. They had M-1 missiles. This [UFO] was observed on radar, there was some communication failure, and the object was observed over the launch control facility. That happened in August 1966 and that's a

well-documented incident.

About a week prior to my incident, in March 1967, I've got a record of a call from one of the security guards who was out roaming looking at the launch facilities and saw an object very similar to what I just described over the launch facility.

Bob Kominski headed up the organization to look at all aspects of these shutdowns. Kominski related to me in writing that at some point he was told by his boss that the Air Force said, "Stop the investigation. Do no more on this and in addition do not write a final report." Again, this is very unusual, especially in light of the fact that CINC-SAC headquarters was stating that this was of extreme importance. And yet, the head of the investigative team was told during the investigation to stop the investigation and not to write a final report.

Similar incidents have been repeated and are currently occuring.

All are known to the U.S. Military and they are greatly agitated by this far superior technology. A few become known to the general public. I shall mention just some of these:

Vandenberg Airforce Base

Aliens are monitoring nuclear bases claims Robert Hastings author of UFOs & Nukes. Professor Bob Jacobs (ex air force photographer) witnessed the disarming of a missile by a UFO at Vandenberg airforce base in 1964.

There have been repeated events in the USA and at military sites around the world.

In 1967 missiles at Malmstrom airforce base, Montana

malfunctioned due to UFO interference claims Bob Jameson.

In December 1980 bright lights were seen over the forest of

Rendleshem close to USAF Bentwaters and Woodbridge in Suffolk (now known to have been harbouring nuclear weaponry). Suspecting a security breach the air force dispatched a party to investigate. Upon their return Deputy Base Commander Lieutenant Colonel Charles Halt confirmed that the craft encountered in the forest could only be described as a flying saucer. Undergoing hypnosis months later another eyewitness Sergeant Jim Penniston claims he was informed by the occupants of the craft that they were from our future. See my work entitled **Time Travel.** Two days later the craft made a brief return. Have our descendents discovered time travel? Are they returning to prevent us from destroying Earth?

The hollow Earth theory has been propounded for centuries. Few of us realise that some famous people not only believe in the prospect of a hollow Earth but they also firmly believe our ‘cousins’actually dwell inside our planet. One such believer Adolf Hitler despatched a party of scientists and troops to both the Arctic

and the Antarctic prior to the beginning of the Second World War in search of a ‘hole to the centre of the Earth’. He believed advanced flying craft were emerging from the bowels of the planet. Following the defeat of the Nazis there was an exodus to the Antarctic base at New Swabia where flying saucers had been constructed deep underground. It will never be known whether the nazis met up with beings living under the Antarctic ice flow or whether their scientists had perfected anti gravity powered vehicles for themselves. However, in 1947 a party despatched by the U.S. military to New Swabia quickly retreated when they encountered a ‘more powerful’ enemy that seemed to emanate from the very ice itself.

http://mindscapemagazine.com/2012/02/new-swabia-and-mysteries-of-the-chronos-project/

At the end of World War Two under the code name Project Paperclip hundreds of Nazi scientists were whisked to the United

States where they were ordered to continue their Third Reich research.

We know this led to the H-bomb, the A-bomb and the Philadelphia Experiment. Nazis were enlisted in the CIA.

Admiral Byrd

One believer in the hollow earth society (and a member of the Thule Society) was Admiral Byrd of the United States Navy. Under orders from the Navy he flew solo to the North Pole in 1926 and the South Pole in 1929. He returned many times.

In his diary, he tells of entering the hollow interior of the earth, along with others and traveling 17 miles over mountains, lakes, rivers, green vegetation, and animal life. He tells of seeing tremendous animals (resembling the mammoths of antiquity). He eventually found cities and a thriving civilization. The external

temperature was 74 degress F.

His aerorplane was met by flying machines of a type he had never seen before. They escorted him to a safe landing area where he was greeted by emissaries from Agartha. After resting he and his crew were taken to meet the king and queen of Agartha. They told him that he had been allowed to enter Agartha because of his high moral and ethical character. They said they were concerned for the safety of our planet due to the testing of nuclear devices by the U.S. military. After this Byrd and his crew were guided back to the surface of the planet.

In January of 1956 Admiral Byrd led an expedition to the South Pole. On that expedition he and his crew penetrated down 2,300 miles into the center of the earth. Admiral Byrd stated that the North and South Poles are only two of many openings into the center of the Earth. He wrote that he had seen a sun below the Earth. For complete details read my book **Aliens, Nazis and**

Hollow Earth.

DO ALIENS EXIST?

Alien intrusion into our air space is nothing new. In fact cigar or saucer-shaped flying machines are featured in famous paintings of Jesus and the Madonna.

Those of you who have read my books on the Anunnaki will be

well aware that we are a race that is a genetically altered hybrid alien/human species and have been for at least 400,000 years. For those who have not read my previous books please do. They are available on kindle.

I have previously stated that the planet Nibiru would return to our Solar System on or about the year 2048 (every 3600 years). Nibiru may have entered our Solar System a little earlier. In fact it may be approaching our planet (Ki) as you read these words. Certainly something has been seen (seemingly close to the Sun) that produces an 'illusion' of two suns (visible from the Southern Hemisphere). Clearly visible around this other sun are three planets.

In my investigations I have discovered that the old school teaching is incorrect. Centuries ago we were taught the Earth was flat then we were informed that our spherical ball of life revolved with eight other planets around a lone Star. Modern Cosmologists are

now stating that we live in a binary system (two ‘suns’). The other Star in our system is a brown dwarf that appears red when observed through a telescope.

From 2012-2013 researchers in Antartica and those who live in the Southern Hemisphere witnessed two suns rising daily. The new sun is identified as our sun’s twin (brown dwarf) and three planets can clearly be seen orbiting it. The ancients knew of this second star system (their gods gave it the name Nibiru). This is precisely the reason the ancients constructed so many natural observatories around the planet. The most famous is perhaps Stonehenge.

Since late 2014 the binary star system is visible around the time of dawn in the Northern Hemisphere. For a chilling account of the imminent destruction of our planet read my book **Nibiru Destroyer of Earth.**

Our entire system spirals through space around the Sirius system and this in turn orbits the Milky Way. One ‘year’ of our complete system is close to 27,000 Earth years. As we enter the Age of Aquarius we are also leaving the ‘winter’ of our fantastic orbit around the Milky Way. Spring is just beginning. New supremely important energies are pouring from the black hole in the centre of our Galaxy. These energies will provide us with a wake up call – read my series **the Glory of God.**

If this is the long awaited return of the Anunnaki (and the myriad of UFOs seen in our skies daily seem to be proof) then should we be calling our ‘long lost relatives’ aliens? Would you be happy if your cousin spurned you after a prolonged absence?

“Accept aliens as our distant relatives”. This is currently the official stance of the Vatican. These very words are being used by

spokesmen of the Catholic Church.

The Vatican and its contemporaries has been scouring the heavens for centuries for signs of extra terrestrial life, ever since the Church burned Bruno at the stake for daring to intimate we were not alone in the Universe.

I suggest that you read, research, postulate and even then procrastinate before making the decision to go to war with our cousins from the heavens. After all they are technologically thousands of years our superior and can at any time take over rulership of this planet. This they did for hundreds of thousands of years until they ‘went up to heaven’ 1540 years before the birth of Yeshua/Esau (Jesus Christ).

What we require are facts, eyewitness accounts and verifiable reports especially from Government, air force or other military

employees. This we have in abundamce with Governments such as Mexico's officially stating that UFOs are real. What is it the United States Government has systematically, for over 60 years, refused to reveal to the people of the world? Is the most powerful Government on the planet itself in league with alien greys (as some people believe)? Are they plotting to control the entire world (seven billion people)? Have the hierarchy of the USA and Roman Catholic Church sold their souls to the devil?

The Vatican

It is a fact that the Vatican owns observatories around the world (one named Lucifer). The closest to St Peter's Basilica is in the town of Castel Gandolfo (the summer residence of the Pope) in the Lazio region of Italy. Here are twin telescope structures that keep an eye on the sky 24 hours every day. Not content with a peek the Vatican has eyes all over the planet.

http://www.vaticanobservatory.org/

Vatican observatories are situated in Arizona and jointly owned telescopes are to be found in Chile and elsewhere, in particular in the Southern Hemisphere. Why spend so much money on looking to the heavens if the official line of the Catholic Church is God created man in His image to rule over the birds of the air and the beasts of the earth? Is the Church expecting a visit from another (extra terrestrial) species?

Until it becomes blatantly obvious that there is life originating from other planets the Vatican will stick to its well worn Genesis-based story. However, in readiness for the forthcoming Messiah or a surprise visit from cousins from other worlds the Vatican observatories are relaying rather interesting information back to Rome.

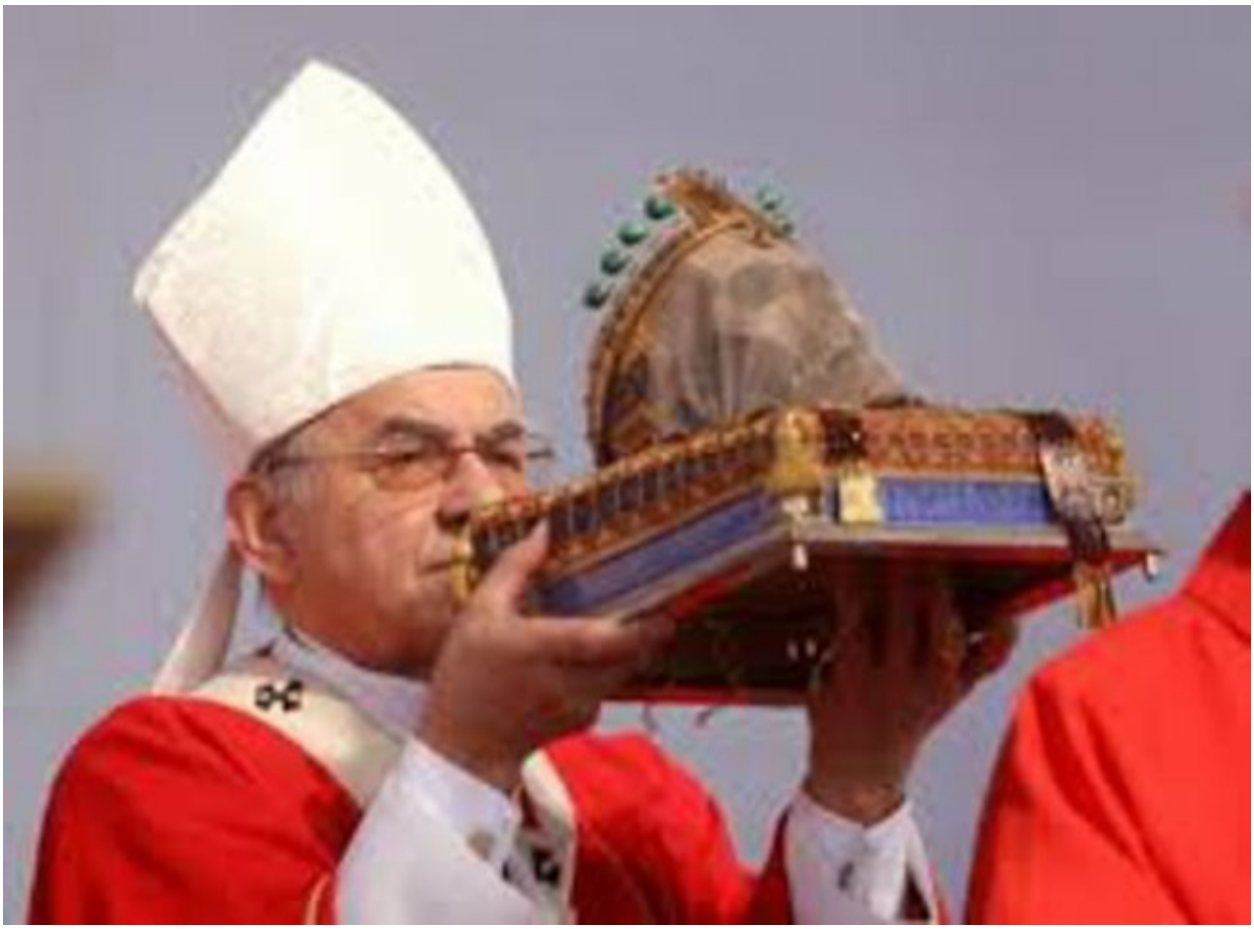
Christians will not immediately need to renounce their faith in God "simply on the basis of the reception of [this] new, unexpected information of a religious character from extraterrestrial civilizations." However, once the "religious content" originating from outside the earth "has been verified" they will have to conduct "a re-reading [of the Gospel] inclusive of the new data…" – Vatican Astronomer, Eminent Theologian and Full Professor of Fundamental Theology at the Pontificia Università della Santa Croce in Rome [Connected With Opus Dei], Father Giuseppe Tanzella-Nitti

Strange elongated skulls were found during excavation under the Vatican vaults in 1998:

http://www.destinationamerica.com/tv-shows/alien-files/alien-files-video/vatican-alien-skull.htm

Why has the world not been informed of this incredible find?

The Church needs time to reassess its official stance on the existence of alien races. After all the Vatican could never admit to being ignorant or wrong – or worse, hiding the real truth for two thousand years.



If famous Renaissance painters boldly display UFOs in their paintings and the Vatican has been forced to admit to the presence of alien skulls in their own vaults what further proof do we require that aliens exist and indeed are visiting our planet in ever growing numbers?

Before I pursue more evidence of the existence of aliens I wish to pose a question. If beings from another world, another Galaxy or perhaps another Universe, are able to invade our airspace, travel about our planet observing our military and defying the best weaponry we have at our disposal then they are obviously many thousands of years more advanced than we are. So why haven't they just invaded our world and subdued the entire population?

The answer of course is they don't wish to enslave or dominate us. There are those in power throughout the planet today who are terrified of the extra terrestrials, ETs who are in so many ways demonstrating their peaceful intentions.

Our rulers would have us believe that aliens are our enemy. Does this sound familiar? Our Governments throughout the twentieth century forced us to fight in Europe and Asia Minor and Egypt then they escalated the fighting during the Second World War to include Asia, Hawaii, Russia and the Middle East. Not content with this they portrayed the Russian Communist regime as the terror to end all terrors. This was followed by fear-mongering that Cuba were about to launch nuclear warheads upon the USA. Then it was the turn of the Koreans, the Iraqis, the Afghans and the Chinese. Currently we are all meant to fear the growing Iranian threat and in particular Muslim terrorists.

When will we wake up from the state of stupor instilled by our own Governments so they may remain in power? Governments feed us lies to maintain our state of stupidity and ignorance. Fear of aliens is the next step in centuries' old indoctrination and propaganda. The Russians did not invade, the Cubans did not invade, the Koreans, Chinese, Iraqis, Afghans did not invade and 9/11 was an inside job in league with Israel so wake up.

Our cousins (the aliens) are peaceful and wish to free us from the yoke of tyranny imposed by our Governments, especially that of the USA. Ironically, the presidents of the United States, almost without exception, are themselves interbred aliens.

The stuff that makes up our universe

The Holy Qu’ran states that plasma is the most abundant substance

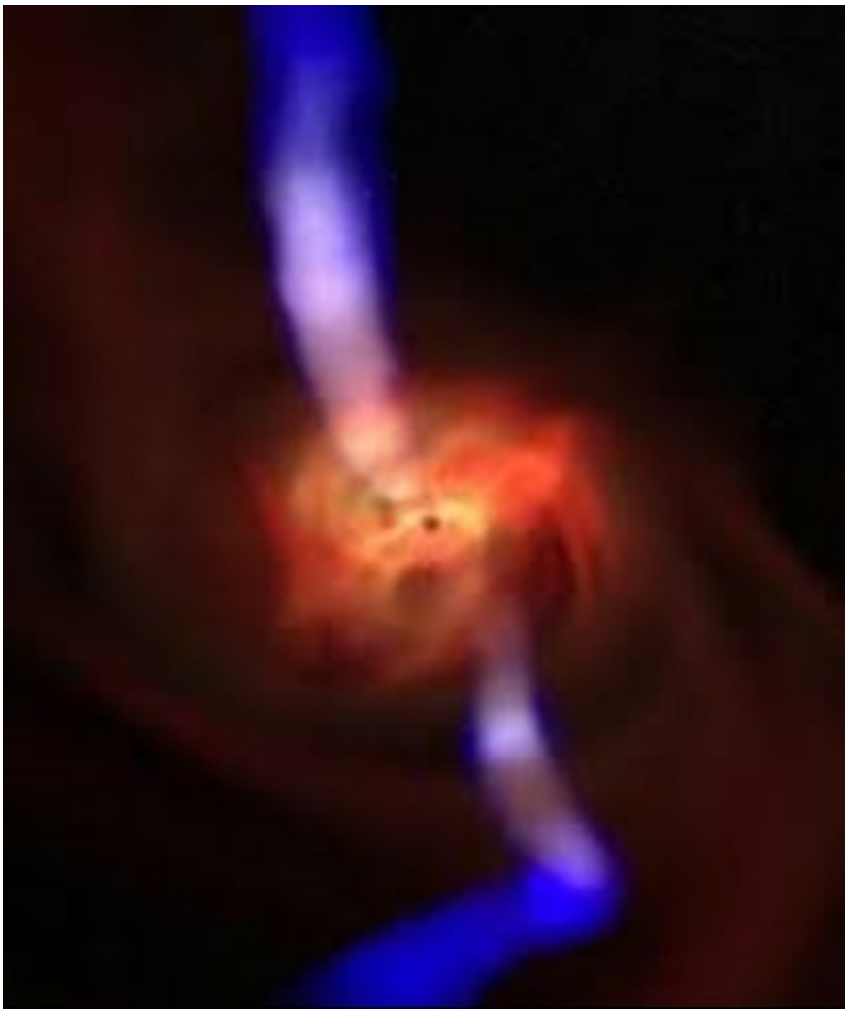
in the universe. Is it mere coincidence that we name the base component of our blood – plasma?

Blood is known to carry oxygen and nutrients to the internal aspects of the body but are you aware that it also transmits messages and contains our DNA blueprint?

Plasma is an excellent conductor and comprises free protons and electrons (not bound to anything else). It may be thought of as the plasticine of material creation. If we could view plasma it appears as collected electrical charge often covering enormous distances of ‘space’. It picks up stray neutrons and electrons, like a giant cosmic jellyfish.

Electricians and electrical engineers will appreciate that the ‘legs of the jellyfish’ are two pairs of filaments twisted together so that the electricity may be transported enormous distances. Cosmologists

have observed filaments of electricity (plasma) stretching almost across the entire universe. Coincidentally the DNA helix is also two interwoven strands.



In fact everything in the universe is connected via this electricity. **We** communicate using electrical signals. Is it too difficult then to

believe that the universe does precisely that?

Transmission of impulses emanating from the surface of the black hole in the centre of the universe creates the 3-D image we believe is reality. Our thoughts (electrical impulses) are transmitted to every single ‘station’ in the universe. These stations are the black holes. There is a black hole at the centre of every proton, at the centre of every planet, every Star and at the centre of the universe.

We are ruled by hybrids

Please read my previous works **Arrival of the Anunnaki** and **Nibiru Destroyer of Earth.**

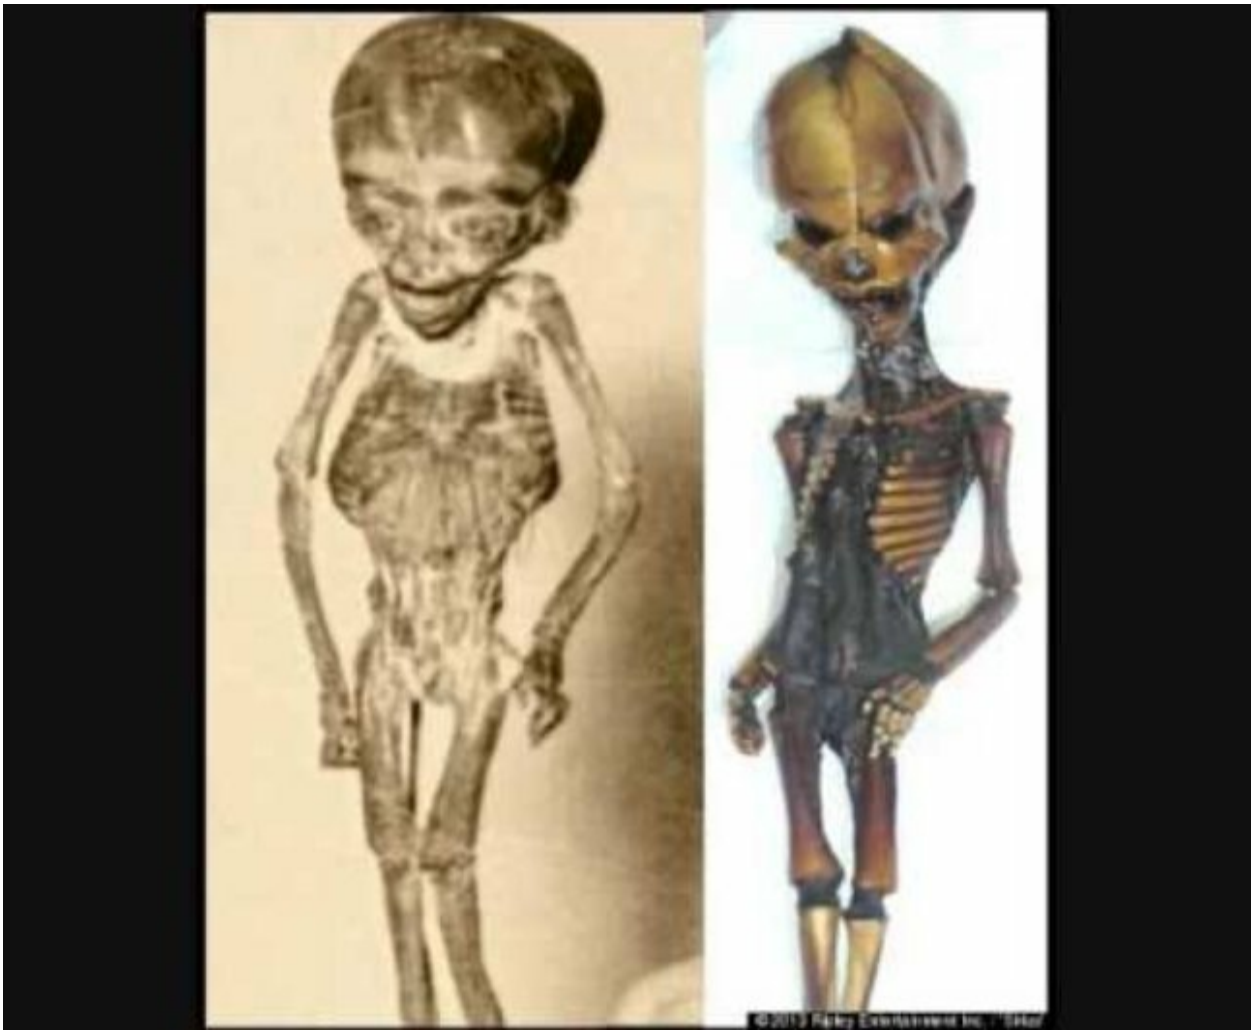
In these books I have taken great pains to prove that a race of

giants ruled over our planet for hundreds of thousands of years. In fact they genetically altered the human race to invoke servitude.

The rulers of this giant race on Earth are known as the Anunnaki. By the time they vacated our planet (after mining gold for hundreds of thousands of years) around 1540 B.C. they left behind a mixed race of human/Anunnaki hybrids. They left us with their legacy: They had educated us in many things and increased our powers of learning a hundredfold.

They had imposed rulers upon us who were originally half human half Anunnaki. With the progression of time this mixture of Anunnaki/human blood was diluted throughout much of the planet. In truth we are all part human part ‘alien’. Those who were ‘kept in the loop’ maintained power over us after our cousins left Earth to return to Nibiru.

From the time of Alexander then the Roman Empire ‘mere mortals’ (the ignorant masses) have been subjected to physical, mental and psychological torture. Worse still for millenia er have existed in a state of total ignorance.



The home planetary system of the Anunnaki (Nibiru) enters our own solar system every 3600 years (1 SAR on Nibiru). This system (twin to our own) has recently returned to our solar system - indeed many people have seen it with the naked eye. Leaked proof from NASA shows Nibiru advancing from the direction of our Sun.

Solar flare activity has increased to the highest on record and daily we see altered solar features through our radio telescopes. Should Nibiru pass within a few million miles of planet Earth the minimum result shall be a flipping of the planet such that the North and South poles will change position. Asteroids, moons and other space debris travelling in the wake of Nibiru will smash relentlessly upon the Earth. Volcanoes shall spill molten lava, earthquakes will rock the Earth worldwide and dreadful weather conditions will prevail. As I type these words unnatural events are already occurring worldwide. For updates on the position of Nibiru please visit

http://somethgblue.hubpages.com/hub/NASANeverAStraightAnswe

http://www.altheadlines.com/planet-nibiru-nasa-employee-whistle-blowing-13248541/

After watching the NASA footage would you panic? Of course you would.

For this reason our Governments are not informing us of a forthcoming calamity and this is the reason why they have no intention of rebalancing the economies of the Western world. If they are not able to prevent the planet from flipping upside down and dreadful natural disasters from occurring they probably think the world economy is a small matter in comparison. They are convinced this planet is about to be ravaged in the near future. It is just a matter of when.

Space stations, satellites and telescopes are pointed at an advancing planetary system many times the size of Earth. When the time is right the Governments and elite members of the world's most powerful billionaires shall simply go underground. When the danger has passed (years later) they shall emerge from DUMBs to subjugate humans once again. Survivors will hardly be able to resist. Society as we know it will have reverted to the Stone Age.

For full information of what is about to befall you read **Prison Planet Earth** by Gary Margrove.

The U.S. Government has prepared millions of coffins and FEMA camps for the entire population of the United States of America. They themselves will be safe miles underground in interconnected DUMBs (Deep Underground Military Bases).

What about the ‘aliens’? Unlike our Governments some of the aliens are here to help us. The Anunnaki for example have no control over the orbit of their planet (travelling towards us at 35,000 miles per hour). They do however have countless space vehicles (so many being spotted in our skies daily). They made the mistake of contacting the U.S. military and Government (see later). Subsequent meetings demonstrated to the ‘good’ aliens how evil and corrupt all U.S. Governments are and have been for over 60 years.

The E.T.s now realise the U.S. Government is totally corrupt and controlled by the Bilderberg Group, 33 degree Freemasons and the Illuminati and intend to usher in a New World Order. Read my work on the New World Order for complete details. Evil cyborg aliens (the greys) are said to be delighted to be working with the U.S. Government and military.

Meanwhile the ‘Nordics’ demonstrate their peaceful intentions with crop circle messages (see later). It is important to the ‘good’ ETs that we are aware that they intend us no harm. They wish to save as many of us as possible. Flotillas of advanced craft are to be seen throughout the world. Read my book **The UFO Chronicles**.

It is a fact that Nibiru passes into our solar system every 3600 years. With all their advanced technology the Anunnaki cannot alter the trajectory of their planet and its resultant orbiting moons, asteroids and meteorites.

The Great Flood (Noah’s Ark) was a result of the planetary system, Nibiru, passing dangerously close to the Earth. The ‘gods’ were unable to prevent this recorded disaster around 9000 B.C. but they did save Noah and his family. Furthermore, they saved the DNA of a myriad of species of terrestrial plants and animals. As Nibiru once again enters our Solar System are the Anunnaki again attempting to save members of the human race and the DNA of

plant and animal species?

Below is a picture (taken over the past few months) of ‘two suns’

NASA denies the existence of the second ‘sun’ which many say is Nibiru.

Below is “Glorification of the Eucharist” by Salimbeni 1600. During his lifetime it was thought that the Earth was flat so what is the sphere in the centre?

The flying apparatus in the background represents the winged disc (seen on NASA photos) our brown dwarf ‘twin sun’.

This painting depicts the entry of Nibiru into our solar system, approximately 1500 years before the birth of Christ. Did Salimbeni have divine knowledge he wished to convey to us?

The Church would have burned him as a heretic had he revealed such knowledge so the painting is his occult means of communication. There are many paintings featuring UFOs or signs of Nibiru.

Presidents who talked to Aliens

Photographs such as those above are undoubtedly fakes (aren't they?). What is real is that in 1944-45 Hitler commissioned the creation of craft that resemble the crashed UFO at Roswell. Some believe he did not commit suicide but was transported to a Nazi base in Antarctica. There are even videos on you tube of Nazi bases on the moon. What should we believe?

In 1952 President Truman announced that aliens are real. " Yes,

we discussed this at every conference that we had with the military. There was always things that are going on. There were flying saucers and other things you know if I am not mistaken."

Do we believe an American President? This was 4 years after the crash at Roswell had been dismissed as an errant weather balloon.

A former US government consultant claims that American President Dwight D. Eisenhower had at least three secret meetings with aliens. The 34th President of the United States met the extra terrestrials at a remote air base in New Mexico in 1954 - according to lecturer and author Timothy Good.

Prime Minister of Great Britain Winston Churchill contacted Eisenhower at the close of the Second World War to seek advice on dealing with UFO sightings

http://www.dailymail.co.uk/news/article-2100947/Eisenhower-

secret-meetings-aliens-pentagon-consultant-claims.html

According to classified documents released by the Ministry of Defence in 2010, Winston Churchill ordered a UFO sighting over the English Channel to be kept secret. The UFO was seen over the East Coast of England by an RAF reconnaissance plane returning from a mission in Germany towards the end of the war.

The USS FDR, Sixth fleet flagship, 1952, a crew member writes:

"We were north and east of England with the NATO fleet in the North Atlantic. About 1:30 a.m. through the stormy rain and lightening, this big blue-white light appeared right off starboard bow. It came down to 100 feet off the water and just hung there as we cruised by it."

"This UFO was easy to see when the lightning flashed. It then rose straight and left. Four of us saw it. Here's the kicker! General Ike,

who'd flown over by chopper with the Admiral, had just come out on the signal bridge wearing PJ's and robe, looking for coffee."

"We were sitting and making small talk when the bright light came on. We all watched it ten minutes, then just stood there staring at each other. After a while, Gen. Eisenhower said, he better go 'check this out' and left. He also told us to 'forget about it for now.'"

"Next day and ever after, nothing was ever said about it. I don't know what it was or why it was hushed, but I saw it".

On May 7, 2010 a former State Representative from New Hampshire (and State Federal Relations and Veterans Affairs committee member) Henry W. McElroy Jr. posted a video to the internet. He stated:

“The document I saw was an official brief to President Eisenhower. To the best of my memory this brief was pervaded with a sense of hope, and it informed President Eisenhower of the continued presence of extraterrestrial beings here in the United States of America.

The brief seemed to indicate that a meeting between the President and some of these visitors could be arranged as appropriate if desired.

The tone of the brief indicated to me that there was no need for concern, since these visitors were in no way, causing any harm, or had any intentions, whatsoever, of causing any disruption then, or in the future.

While I can’t verify the times or places or that any meeting or meetings occurred directly between Eisenhower and these visitors —-because of his optimism in his farewell address in 1961, I

personally believe that Eisenhower did, indeed, meet with these extraterrestrial, off world astronauts”

Coast to Coast AM host George Noory Duff made the claim that a Majestic 12 top secret document proves that Eisenhower met with greys on more than one occasion:

Duff claimed that part of this MJ-12 document involved information stating that in 1953 President Eisenhower had made a deal with a hostile group of aliens:

"The document covered the period from 1947 to 1977. They indicated that over this period we had two distinct treaties. There have been more since,

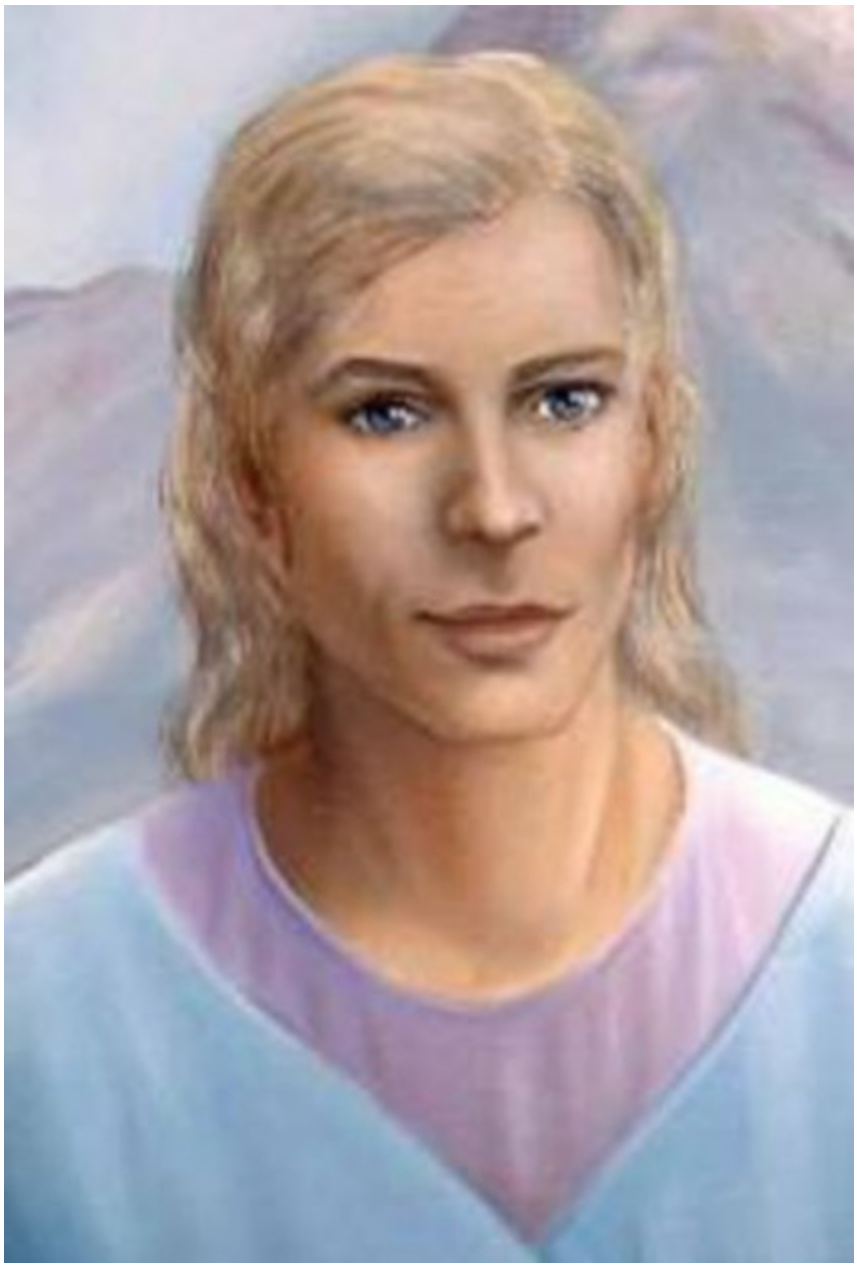
I have been told. One [treaty] in 1947, initially with President Truman. One in 1953, with President Eisenhower.

The 1953 treaty with President Eisenhower was an agreement, a coercive agreement against the USA on behalf of a hostile alien power that wished to be able to kidnap a number of citizens from the United States".

Alarmingly Duff went on to claim that the 'agreement' between the U.S. Government and the greys involved entrapping and killing thousands of humans.

"The numbers were unusually high. (The number mentioned later is 230,000) These were not people that were going to be detained, and probed, and returned. These were people that were going to be detained and butchered. They were very clear about that!"

On the evening of February 20, 1954, during a week long trip to Palm Springs, Eisenhower was absent from where he was staying at the Smoke Tree Ranch compound (owned by his business friend Paul Helms). There was much conjecture in the press at that time as to what had happened to the President in those missing hours.



In May 1954 Gerald Light wrote a letter to Meade Layne (director of Borderland Sciences Research Associates). Light stated he was present at Edwards airforce base with Eisenhower to study live

aliens and their flying craft.

“I have just returned from Muroc [Edwards Air Force Base]. The report is true -- devastatingly true! I made the journey in company with Franklin Allen of the Hearst papers and Edwin Nourse of Brookings Institute (Truman's erstwhile financial advisor) and Bishop MacIntyre of L.A.

When we were allowed to enter the restricted section (after about six hours in which we were checked on every possible item, event, incident and aspect of our personal and public lives), I had the distinct feeling that the world had come to an end with fantastic realism. For I have never seen so many human beings in a state of complete collapse and confusion, as they realized that their own world had indeed ended with such finality as to beggar description.The reality of the ‘other plane’ aeroforms is now and forever removed from the realms of speculation and made a rather

painful part of the consciousness of every responsible scientific and political group.During my two days' visit I saw five separate and distinct types of aircraft being studied and handled by our Air Force officials -- with the assistance and permission of the Etherians!

Another witness to this Eisenhower contact story comes from the son of a former Navy Commander who claimed that his father had been present at the Eisenhower event. According to Charles L. Suggs, a retired Sgt from the US Marine Corps, his father Charles L. Suggs, (1909-1987) was a former Commander with the US Navy who attended the event. In a 1991 interview with a prominent UFO investigator Suggs stated that according to his father he:

“Accompanied President Ike along with others on Feb. 20th.

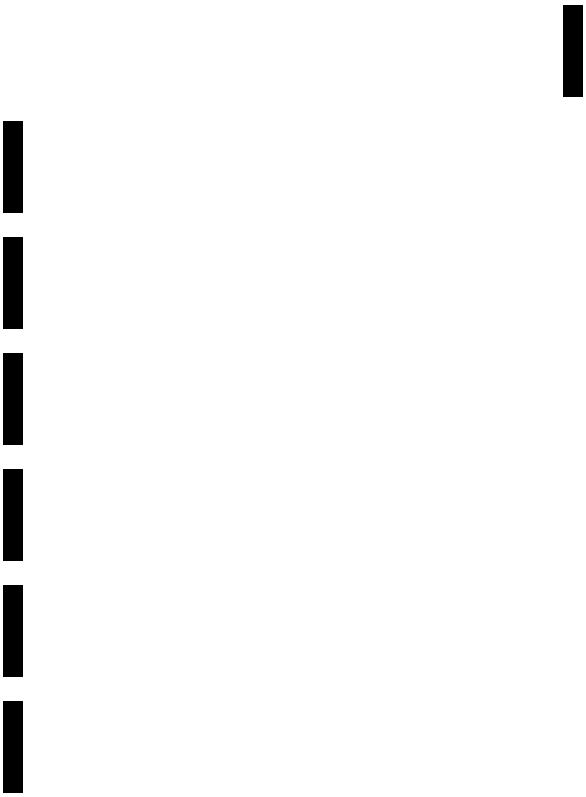
They met and spoke with 2 white-haired Nordics that had pale blue eyes and colorless lips. The spokesman stood a number of feet away from Ike and would not let him approach any closer."

"A second nordic stood on the extended ramp of a bi-convex saucer that stood on tripod landing gear on the landing strip. According to Charlie, there were B-58 Hustlers on the field even though the first one did not fly officially till 1956. These visitors said they came from another solar system."

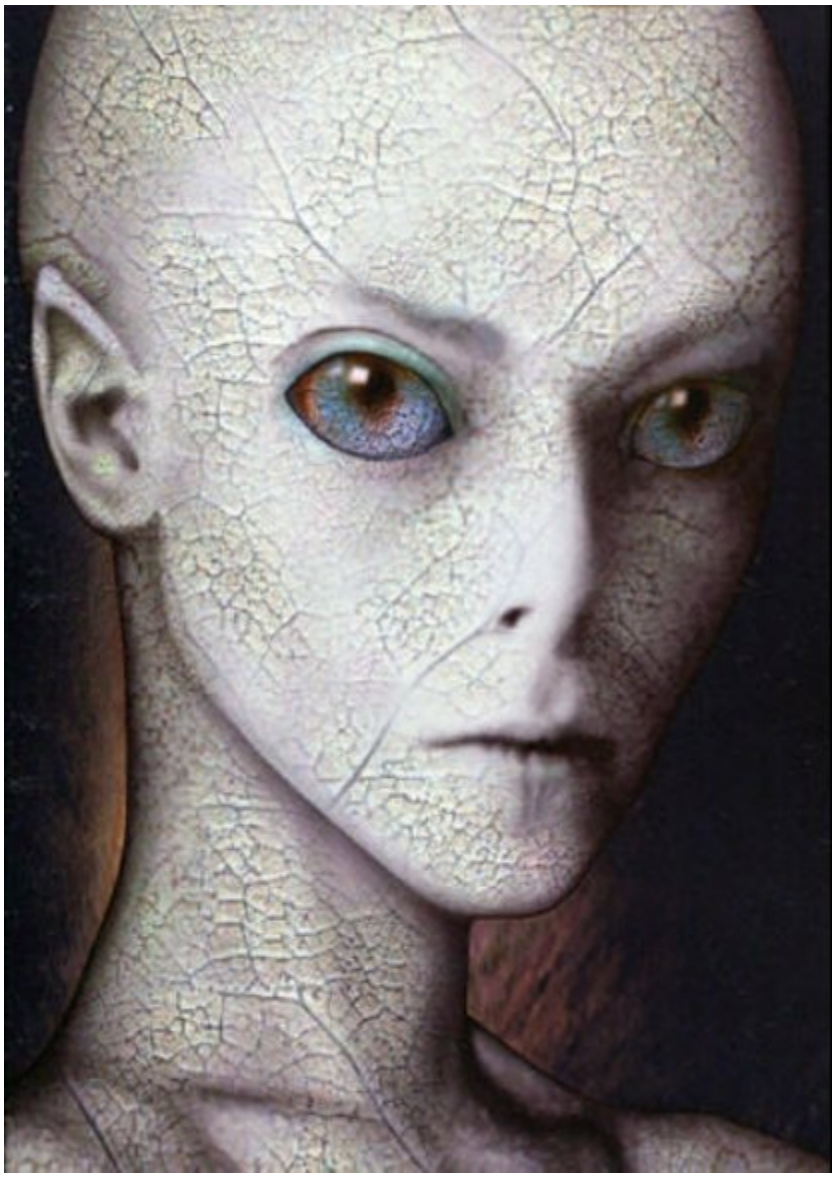
"They proceeded to pose detailed questions about our nuclear testing."

The sentence above brings me back to the important point I have made: the Nordics and probably other ETs are here simply because we are now capable of destroying our entire

planet. Life is precious and they shall see to it that our insane leaders do not progress to a full all out nuclear obliteration of all life on Earth.



The so called aliens are systematically disabling and neutralising all nuclear missiles on the planet. They have made the most powerful Governments aware that they will not allow them to annihilate all life on this wonderful planet.



Jimmy Carter, before becoming Governor of Georgia, witnessed a UFO.

http://en.wikipedia.org/wiki/Jimmy_Carter_UFO_incident

Billy Meier (on behalf of the Pleiadians) sent Carter a proclamation during his Presidential tenure in 1979. The demand for world peace and full disclosure of the Truth did not sit well with the U.S. administration as indeed it does not to this day.

They and only they wish to rule the planet. The full document may be read at

Crop circles

According to the Maya December 21st 2012 heralded the beginning of the end of the 24th Solar Cycle. Everything in the Universe is interrelated (read the Butterfly Effect). Crop circles are a means by which our interstellar relatives are preparing us

for the changes and subsequent upheaval that is due to take place not only upon the Earth but in our immediate portion of the Galaxy. The sheer immensity of these changes, the distances and stellar constellations covered are too immense for human minds to comprehend. Our cousins are simplifying matters for us (much as we would by drawing a picture for a child) by constructing elaborate crop circles throughout the planet. Of course these are not the only signs but here we will concentrate solely upon crop circles.

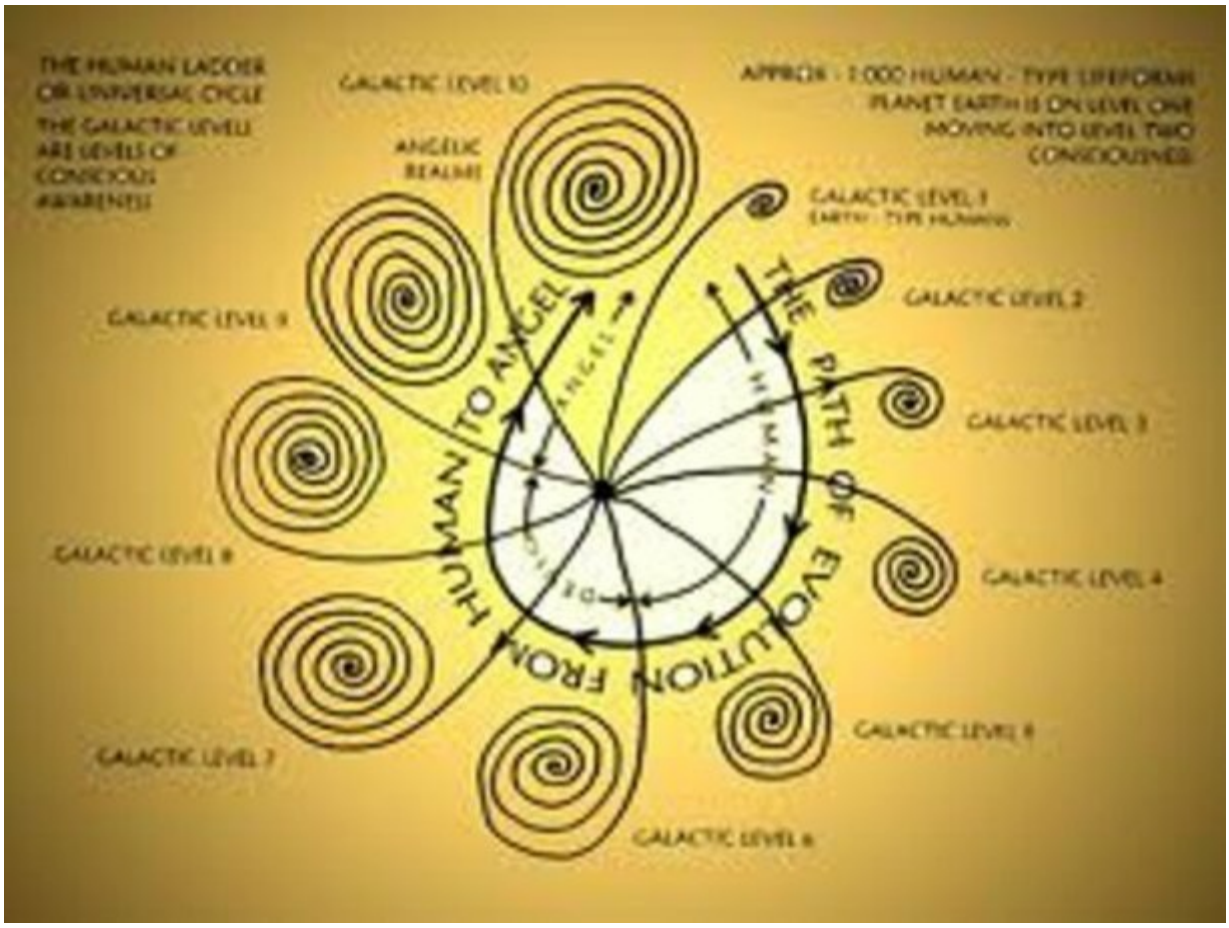
These beautifully constructed patterns throughout the world (which never damage the crop) communicate in a universal language of mathematics, symbols and pictures. For those who wish to decipher them they provide messages (some in ASCII code or binary). For most of us the sheer magic of the elaborately constructed weave is sufficient to make us stop and wonder.

Symbolism.

Some of the crop patterns contain special symbols (of a spiritual nature). They shall activate energy points in the etheric field of the planet thus allowing for greater amounts of Universal Energy to enter our Earth, enabling those who are susceptible to climb the second rung of the Human Ladder.

The Human Ladder (perhaps envisaged by Jacob centuries ago) is the hierarchy of spiritual evolution that all humanoids must undertake. Presently the vast majority of people on Earth are in a poor spiritual state, especially the leaders. This presents a huge problem as we are perfectly capable of doing irreversible damage – not only to our own world but to our immediate portion of the Galaxy.

It is necessary for our spiritual development to activate additional strands of DNA. To advance to level 2 four strands must be utilised. True Reiki masters have knowledge of this gift.



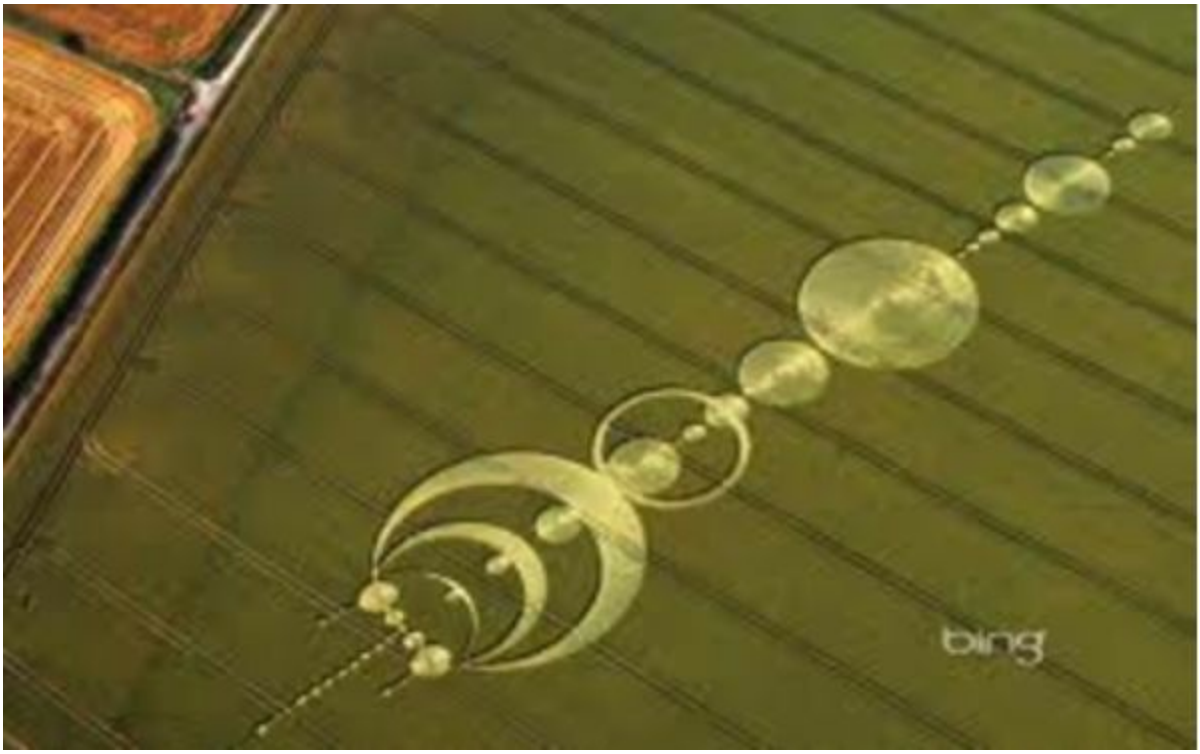
Some of the crop patterns provide a means of clear communication, currently through computer or mathematical codex as this is the preferred method in today's 'modern society'.

For example at Poirino in Italy the crop circle depicted below claims to have been created by EA/ENKI lord of Earth (in ASCII code). A Babylonian astroscope depicts the planets as they were

positioned thousands of years ago.

For an explanation of occult and ancient symbology read my book **Sacred Symbols and Occult Design.**

One of the crop circles depicts Pi to the 10th digit.



Perhaps the crop pattern that proves beyond all doubt that others are attempting to communicate with us was weaved at Wherwell, Hampshire, England during the evening of August 18th 2001. It has become known as the Chilbolton Code. Analysis revealed that computer code, mathematics and the positions of planets were featured as well as our own DNA structure. This is now viewed as

a response to the message sent into space by scientist Carl Sagan many years before. For full details please read

Founding Fathers Knew of Aliens

A Scottish researcher named Quentin Burde claims that the Indians

who came to Valley Forge to help Washington and his starving soldiers were actually green-skinned extra-terrestrials. According to notes maintained by one of Washington's military secretaries, the Greenskins lived in a glowing globe in the woods and provided the general with valuable military intelligence. Washington had no idea he was communicating with beings from another planet. He could only surmise the gren-skinned ones were a tribe of Indians.

Burde's claim had been preceded in 1880 by an article in The National Tribune. The published article claimed to have unearthed an eyewitness account from Anthony Sherman (soldier in the Continental Army) whilst present at Valley Forge during the harsh winter of 1777-1778.

Sherman stated that his general had been greatly depressed after defeat by the English army. Washington was confused as he had been assured that the Americans would defeat the English. However, later that day Washington was ebullient, revealing to his

troops that he had experienced a divine vision.

"George Washington's Vision"

This afternoon, as I was sitting at this table engaged in preparing a dispatch, something seemed to disturb me. Looking up, I beheld standing opposite me a singularly beautiful female. So astonished was I, for I had given strict orders not to be disturbed, that it was some moments before I found language to inquire the cause of her presence. A second, a third and even a fourth time did I repeat my question, but received no answer from my mysterious visitor except a slight raising of her eyes.

By this time I felt strange sensations spreading through me. I would have risen but the riveted gaze of the being before me rendered volition impossible. I assayed once more to address her, but my tongue had become useless, as though it had become paralyzed.

A new influence, mysterious, potent, irresistible, took possession of me. All I could do was to gaze steadily, vacantly at my unknown visitor. Gradually the surrounding atmosphere seemed as if it had become filled with sensations, and luminous. Everything about me seemed to rarefy, the mysterious visitor herself becoming more airy and yet more distinct to my sight than before. I now began to feel as one dying, or rather to experience the sensations which I have sometimes imagined accompany dissolution. I did not think, I did not reason, I did not move; all were alike impossible. I was only conscious of gazing fixedly, vacantly at my companion.

Presently I heard a voice saying, "Son of the Republic, look and learn," while at the same time my visitor extended her arm eastwardly, I now beheld a heavy white vapor at some distance rising fold upon fold. This gradually dissipated, and I looked upon a stranger scene. Before me lay spread out in one vast plain all the countries of the world — Europe, Asia, Africa and America. I saw

rolling and tossing between Europe and America the billows of the Atlantic, and between Asia and America lay the Pacific.

"Son of the Republic," said the same mysterious voice as before, "look and learn." At that moment I beheld a dark, shadowy being, like an angel, standing or rather floating in mid-air, between Europe and America. Dipping water out of the ocean in the hollow of each hand, he sprinkled some upon America with his right hand, while with his left hand he cast some on Europe. Immediately a cloud raised from these countries, and joined in mid-ocean. For a while it remained stationary, and then moved slowly westward, until it enveloped America in its murky folds. Sharp flashes of lightning gleamed through it at intervals, and I heard the smothered groans and cries of the American people.

A second time the angel dipped water from the ocean, and sprinkled it out as before. The dark cloud was then drawn back to the ocean, in whose heaving billows in sank from view. A third time I heard the mysterious voice saying, "Son of the Republic, look and learn," I cast my eyes upon America and beheld villages and towns and cities springing up one after another until the whole land from the Atlantic to the Pacific was dotted with them.

Again, I heard the mysterious voice say, "Son of the Republic, the end of the century cometh, look and learn." At this the dark shadowy angel turned his face southward, and from Africa I saw an ill omened specter approach our land. It flitted slowly over every town and city of the latter. The inhabitants presently set themselves in battle array against each other. As I continued looking I saw a bright angel, on whose brow rested a crown of light, on which was traced the word "Union," bearing the American flag which he placed between the divided nation, and said, "Remember ye are brethren." Instantly, the inhabitants, casting from them their weapons became friends once more, and united around the National Standard.

"And again I heard the mysterious voice saying "Son of the Republic, look and learn." At this the dark, shadowy angel placed a trumpet to his mouth, and blew three distinct blasts; and taking water from the ocean, he sprinkled it upon Europe, Asia and Africa. Then my eyes beheld a fearful scene: From each of these

countries arose thick, black clouds that were soon joined into one.

Throughout this mass there gleamed a dark red light by which I saw hordes of armed men, who, moving with the cloud, marched by land and sailed by sea to America. Our country was enveloped in this volume of cloud, and I saw these vast armies devastate the whole county and burn the villages, towns and cities that I beheld springing up.

As my ears listened to the thundering of the cannon, clashing of sword, and the shouts and cries of millions in mortal combat, I heard again the mysterious voice saying, "Son of the Republic, look and learn"

When the voice had ceased, the dark shadowy angel placed his trumpet once more to his mouth, and blew a long and fearful blast. "Instantly a light as of a thousand suns shone down from above me, and pierced and broke into fragments the dark cloud which

enveloped America. At the same moment the angel upon whose head still shone the word Union, and who bore our national flag in one hand and a sword in the other, descended from the heavens attended by legions of white spirits. These immediately joined the inhabitants of America, who I perceived were will nigh overcome, but who immediately taking courage again, closed up their broken ranks and renewed the battle.

Again, amid the fearful noise of the conflict, I heard the mysterious voice saying, "Son of the Republic, look and learn." As the voice ceased, the shadowy angel for the last time dipped water from the ocean and sprinkled it upon America. Instantly the dark cloud rolled back, together with the armies it had brought, leaving the inhabitants of the land victorious!

Then once more I beheld the villages, towns and cities springing up where I had seen them before, while the bright angel, planting the azure standard he had brought in the midst of them, cried with

a loud voice: "While the stars remain, and the heavens send down dew upon the earth, so long shall the Union last."

Taking from his brow the crown on which blazoned the word "Union," he placed it upon the Standard while the people, kneeling down, said, "Amen."

The scene instantly began to fade and dissolve, and I at last saw nothing but the rising, curling vapor I at first beheld. This also disappearing, I found myself once more gazing upon the mysterious visitor, who, in the same voice I had heard before, said, "Son of the Republic, what you have seen is thus interpreted: Three great perils will come upon the Republic.

The most fearful is the third, but in this greatest conflict the whole world united shall not prevail against her. Let every child of the Republic learn to live for his God, his land and the Union." With these words the vision vanished, and I started from my seat and

felt that I had seen a vision wherein had been shown to me the birth, progress, and destiny of the United States.

William Dunbar communicated to Jefferson during his Presidency that he had witnessed a UFO flying over Baton Rouge on April 5th 1800. The luminous UFO(the size of a house) was said to have moved at great speed from the South West to the North East. Subsequent investigation revealed a large portion of the trees in the surrounding forest to be charred.

No. III.

Description of a singular Phenomenon seen at Baton Rouge, by William Dunbar, Esq. communicated by Thomas Jefferson, President A. P. S.

NATCHEZ, June 30th, 1800.

Read 16th January 1801

A PHENOMENON was seen to pass Baton Rouge on the night of the 5th April 1800, of which the following is the best description I have been able to obtain.

It was first seen in the South West, and moved so rapidly, passing over the heads of the spectators, as to disappear in the North East in about a quarter of a minute.

It appeared to be of the size of a large house, 70 or 80 feet long and of a form nearly resembling Fig. 5. in Plate, IV.

It appeared to be about 200 yards above the surface of the earth, wholly luminous, but not emitting sparks; of a colour resembling the sun near the horizon in a cold frosty evening, which may be called a crimson red. When passing right over the heads of the spectators, the light on the surface of the earth, was little short of the effect of sun-beams, though at the same time, looking another way, the stars were visible, which appears to be a confirmation of the opinion formed of its moderate elevation. In passing, a considerable degree of heat was felt but no electric sensation. Immediately after it disappeared in the North East, a violent rushing noise was heard, as if the phenomenon was bearing down the forest before it, and in a few seconds a tremendous crash was heard similar to that of the largest piece of ordnance, causing a very sensible earthquake.

I have been informed, that search has been made in the place where the burning body fell, and that a considerable portion of the surface of the earth was found broken up, and every vegetable body burned or greatly scorched. I have not yet received answers to a number of queries I have sent on, which may perhaps bring to light more particulars.

NOTE. The above communication was accompanied by an account of the first invention of the Telegraphe extracted from the works of Dr Hooke.

Mr. Dunbar was induced to forward this extract to the Society, as he supposed it had been noticed than it deserved to be. But it was deemed necessary to print the Paper, as it may be seen in the works above mentioned, and is refuted to by Dr. Birch in his history of the Royal Society. Vol. 4th, page 298.

Aliens on the Moon

In my treatise **the UFO Chronicles** and my book **Mars Colony and Moon Bases** I reveal that an alien species uses the Moon as a

base for its interstellar craft rather than returning to their home world each time they visit Earth.

During the first moon landing ‘Buzz’ Aldrin was heard to refer to the aliens as “Be advised there is a Santa Claus” This was a coded message prearranged with NASA who had despatched the Apollo mission with the express intention of proving that there were indeed earthly visitors camped on the moon.

Today we are faced with irrefutable proof that a number of species of E.T.s are present in our world, skimming the skies and whipping past the space station. They have proven themselves capable of disabling missiles in silos and neutralising nuclear weapons in flight.

June 14th 2014 Daily Telegraph:

Aliens have deactivated British and US nuclear missiles, say US military pilots

Aliens have landed, infiltrated British nuclear missile sites and deactivated the weapons, according to US military pilots.

The beings have repeated their efforts in the US and have been active since 1948, the men said, and accused the respective governments of trying to keep the information secret.

The unlikely claims were compiled by six former US airmen and another member of the military who interviewed or researched the evidence of 120 ex-military personnel.

The information they have collected suggests that aliens could have landed on Earth as recently as seven years ago.

Capt Robert Salas, said: "The US Air Force is lying about the national security implications of unidentified aerial objects at nuclear bases and we can prove it."

He said said he witnessed such an event first-hand on March 16, 1967, at Malmstrom Airforce Base, Montana which housed Minuteman nuclear missiles. Capt Salas continued: "I was on duty when an object came over and hovered directly over the site.

"The missiles shut down - 10 Minuteman missiles. And the same thing happened at another site a week later. There's a strong interest in our missiles by these objects, wherever they come from. I personally think they're not from planet Earth."

Col Charles Halt said he saw a UFO at the former military base

RAF Bentwaters, near Ipswich, 30 years ago, during which he saw beams of light fired into the base then heard on the military radio that aliens had landed inside the nuclear storage area. He said:

"I believe that the security services of both the United States and the United Kingdom have attempted - both then and now - to subvert the significance of what occurred at RAF Bentwaters by the use of well-practised methods of disinformation."

The site was then the base of the US 81st Tactical Fighter Wing.

Capt Bruce Fenstermacher, a former US Air Force officer, also claims he saw a cigar-shaped UFO hovering above a nuclear base in Wyoming in 1976.

Atlantis, Lemuris, Aryans

It is necessary for me to plunge once again into the distant past for that is where the Truth lies.

Cosmologists believe that Mars was once a populated planet. A disaster of cosmic proportions was meant to have occurred in the distant past causing Mars to no longer be habitable. We have spoken of Martians for many years as if there is some latent memory of their existence.

Actually Martians have never existed but Aryans have. Before the planet was named Mars by the Romans the Greeks knew it as Aries.

I have heavily researched the Anunnaki and Martians. For huge surprises please read my books **Continent of Atlantis** and **Arrival**

of the Anunnaki by Gary G Margrove.

The Anunnaki (family of Anu) arrived for the first time on Ki (planet Earth) over 400,000 years ago. They live far longer than humans – thousands of years longer. Their race is and was so far advanced of ours that when primitive humans encountered the Anunnaki they naturally worshipped them as gods. Imagine the first sighting of a helicoptor in the Amazon rainforest.

As space travel was easy for those from the Nibiru system they set up bases on the Moon (kingu), Mars (Aries) and stations that orbited the Earth.

Those who manned the space stations and were based on Kingu were referred to as the Watchers. They are featured in all ancient texts and referenced as Fallen Angels.

For complete details regarding angels and genies read my book **Angels and Genies.**

Aries was a base of operation (as indeed was Saturn and several moons of Jupiter) for the transportation of gold and other natural resources from Earth enroute to the Nibiru system. Saturn was originally Anshar. Jupiter was Kishar.

Anshar and Kishar are half brother and sister. They shared one parent from the pair Lahmu and Lahamu.

Now we have the bare bones of a genealogical tree. Read my other books for full details.

During one of the occasions when the brown dwarf system reentered our Solar System Aries was tragically affected. These 'Aryans' evacuated the planet. They were relocated to Ki. As Fallen

Angels many bred with humans. Their offspring make up what we call the Aryan race. Originating in Bharat (India, Banlgadesh, Pakistan) they were granted their own domain under the guidance of Inanna (Ishtar, Aphrodite, Kali, Lakshmi). There ensued nuclear wars between the Aryans and Toltecs. I have already written about this on other books.

Following the Great Flood the area known as the Fertile Crescent was under water. Large parts of the planet had also suffered during the close passage of the Nibiru system around 9000 B.C. This calamity almost eradicated the antediluvian civilisations.

Previous civilisations include the Lemuris continent (stretching from Japan to Hawaii) and Atlantis (Bermuda Triangle to Portugal).

We must also investigate the Cambodian and other South Asian

civilisations as well as early North American civilisations. I have already mentioned South and Central America.

The Great Flood did not engulf the entire land mass of the planet in water. However, the Old Testament is only concerned with the Fertile Crescent. When Noah and his family were saved they spread North, South and West. Far Eastern civilisations are descended from Lemurians, Aryans and Atlanteans. The remainder of the world's population are descendents of Noah (who was entirely white). I have a special mention for the Negroid/Aboriginal race later.

Yes we have the Sumerians to thank for maintaining a record of the hundreds of thousands of years before the Flood.

Archaeologists, scientists and biblical scholars cannot comprehend that mankind was thriving for hundreds of thousands of years

before 9000 B.C.

The Old Testament lists the antediluvian rulers and their period of kingship. Unable to believe that a monarch could live for thousands of years the biblical writers decided to cheat a little. They did not faithfully copy the Sumerian and Assyrian cuneiform but presented the lifespan of these kings as no more than a few hundred years. In itself this is unbelievable by today's standards.

The Old Testament has also changed the names of the antediluvian kings. Furthermore the descendents of Seth are actually descendents of Cane (Ka-in). Remember Cane was a bad boy – he was the 'first murderer'.

Why did biblical scholars feel the need to alter the Truth? Remember I informed you before that much of the Old Testament (in particular Genesis) was plagurised from Assyrian and Sumerian

historical records. By the time the Torah was being written (a series of books over an extended period of time) the Jews (as Hebrews and Israelites) had suffered so much they almost felt God had given up on them. Jerusalem itself is the most invaded city in history.

For millenia Jewish teachings have fervently referred to those of the Jewish Faith as the Chosen Ones. Indeed they are, at least those who are descended directly from Abraham (Ibram, Abram). However, all Jews do not fall in this category. Over the centuries many families have converted to Judaism and many Jews have adopted the religion of their country of refuge.

I must also point out that there are families who are able to trace their lineage to Jesus and Solomon and therefore Abraham who are not of the Jewish faith. I shall not name them as they themselves wish to maintain secrecy. Why? Because they have been persecuted down the centuries.

Judaism (although a powerful religion) has less members than any formal religion in the world. We are fully aware that Jews were murdered in Nazi Germany (and surrounding countries).

One more point is the Coen (Cohen) family never marry outside their own brethren. The Kohenm (Kohanim) was the Priest who served the ‘gods’. He was the only human allowed to speak to the gods. So of course Cohens wish to keep themselves ‘pure’.

Why was it so important to ‘big up’ the Jews (in particular the Israelites) in the Old Testament. Why indeed do Jews deny the existence of a Messiah known as Jesus Christ?

Why do Jews think of themselves as God’s Chosen Ones. All true Jews (and many who are no longer of the Jewish faith) are descended from Anunnaki.

What a bombshell

I shall repeat myself. All true Jews are desecended from the ‘gods’.That being said there are Mormons, Muslims, Christians, Hindus, Sikhs and so on equally descended from ‘gods’. Of course I must explain.

In order to prove one's association with the Anunnaki one must have a direct family line back to Noah (Utnapishtim).

The story of the Great Flood tells us only Noah and his family survived. This does not explain Negroid, Asiatic, Mongoloid and Polynesian as well as Aboriginal races. So I think we must take the 'all the world was underwater' biblical statement with a pinch of salt. Mesopotamia, however, was indeed under millions of tons of mud.

How humans were created

In the Enuma Elish Enki says:
"Mix the clay from earth and shape it into the form of a core".

When the writers of Genesis read the Enuma Elish in the Library of

Ashurbanipal they translated the words as:
“The Elohim (Gods) fashioned the Adam (man) from clay then they blew into his nostrils the breath of life”

There is more in the Enuma Elish than in Genesis. It speaks of errors being made whilst attempting to create a new species (they named the Lulu). Early creations had barely any faculties. Many had deformities - without arms or legs, eyes or ears etc

After much trial and error the team of scientists headed by Nintu and Enki finally agreed they were succesful in having created a slave worker to replace the Igigi.

It has been stated by Anthropologists relatively recently that all humans originate from one female who lived in East Africa:

In 1987, a group of geneticists published a surprising study in the

journal Nature. The researchers examined the mitochondrial DNA (mtDNA) taken from 147 people across all of today's major racial groups. These researchers found that the lineage of all people alive today falls on one of two branches in humanity's family tree. One of these branches consists of nothing but African lineage, the other contains all other groups, including some African lineage.

Even more impressive, the geneticists concluded that every person on our planet right now can trace his or her lineage back to a single common female ancestor who lived around 200,000 years ago.

Because one entire branch of human lineage is of African origin and the other contains African lineage as well, the study's authors concluded East Africa is the place where this woman lived. The scientists named this common female ancestor Mitochondrial Eve. The figure of 200000 years is approximate.

Enki and Nintu took apes from East Africa. They genetically

altered them. They increased their intelligence, sense of awareness and added an extra Chakra. The original ‘work’ of Creation were black-skinned Africans. Many were transported to Mesopotamia. The first demigod king (Adam) was coal black. Eve was coal black-skinned. Their children (all 12) were black. Seth was black. Enoch was black and so on. This is why Noah’s father was shocked when the baby was born white.

As a footnote Jesus (Yeshua or Esau) was brown. I am fair skinned but am sick of the ‘white man’ lording it over all other races.

To support the theory that humans were ‘created’ by gods let us look at the modern science of genetics.

Genetics

The following are all quotes from newspapers:

A parahuman is a human-animal hybrid or chimera. Scientists worldwide are creating bizarre human-animal hybrids that could wreak havoc on society. In the past ten years alone, unforgettable advances in the field of genetic modifications have left researchers and on-lookers stunned.

Researchers at Shanghai Second University have combined humans and rabbits.

Mayo Clinic scientists have already created pigs that have human blood, and a Stanford researcher developed mice whose brains are 1 percent human, with the ultimate goal of creating mice with entirely human brains

It's not actually new in Britain, either: Human/cow embryos have been growing in London for quite some time.

This legalised the creation of a variety of hybrids, including an animal egg fertilised by a human sperm; ‘cybrids’, in which a human nucleus is implanted into an animal cell; and ‘chimeras’, in which human cells are mixed with animal embryos.

So we know it is not only possible to cross humans with animals it is currently being practiced.

Do we believe we are alone in the Universe? No, not any more. Do we think we are currently being visited by aliens and that we have

been for millenia? Apparently billions of people not only believe they have witnessed UFOs and aliens of several species.

One species of alien (most likely an android) is in league with the US Military. In Exchange for human ‘guinea pigs’ the greys have provided the military with advanced technology. Not even the President of the United States of America is privy to the secret locations that lie underground in places like Nevada. They are known as DUMBs.

Currently the human race is undergoing a dramatic change. In the not too distant future we will all be forced to swallow a micro pellet daily and have a microchip stapled into our right forearm. Not only will this identify each individual it shall determine precisely where you are located and precisely what you are thinking. They will create a hybridised race of superbeings once the experimentation is complete. Just like Nintu and Enki did.

We were slaves of the Anunnaki for hundreds of thousands of years. The first experiments on apes in Africa eventually proved a success. By mixing Anunnaki DNA with ape DNA a ‘human’ was created. The gods called us Lulu. We served in gold mines and we dug ditches and we built for them their Ziggurat and we fought for them. They created our religions and made us bow to them as gods. And they do to this day.

There were giants in the earth in those days; and also after that, when the sons of Gods came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

‘True Jews’ are descendents of the mixed race Anunnaki/humans. The Arrival of the Anunnaki on Earth some 400,000 years ago was both a blessing and a curse.

In Conclusion

Enki has recently relinquished his rule (Pisces) when the Age of Aquarius dawned.

Enki is not present on Earth and has not been since 1054 B.C. or shortly before. In fact all the ‘major players’ left for the Nibiru system the last time the Sun’s twin Star swung this way.

Many people believe the Anunnaki are returning, some think they are in our skies right now. Some believe the Anunnaki are reptiles, others that they are giant humanoids. Whatever the truth apes were genetically altered to act as slaves for the ’gods’ hundreds of thousands of years ago. This has been both a blessing and a curse

for what we call humanity.

Why are humans so violent? We are the only species that not only murders animals in the millions but also murder each other in the millions. Everyday brings us closer to nuclear annihilation. Our scientists are creating new strains of super resistant bacteria and viruses that are designed to wipe out the entire human race.

Military technology has entered Outer Space in order to eradicate insurgents with death rays and missiles. HAARP may eventually obliterate all coastal cities by creating tsunami. This system is capable of bringing drought or titanic floods or superstorms to unsuspecting regions.

We seem hell bent on wiping out our own species and taking all others with us. What other species anywhere else in the Universe would contemplate such destruction?

Gary Margrove has written over 100 books. For full knowledge of the truth of human history, religion and time travel, what will happen to us in future and much more read them all. Also available a compendium

entitled Arrival of the Anunnaki by Gary G Margrove. This treatise provides you with a true account of the creation of the human race.
